The cool thing about
our timezones being so
different...

...is that he's always
the first one to say
happy hatchday to me.

Arc 3:
Weird
Wide Web

gary-pichu asked:

Heyyy sly how's it been?

Oh... hi internet
people. It's been...
um... pretty good the
past week I guess.
Better than it usually
is for me...

iitscait asked:

what's up sly! you seem... happier than usual, that's nice, may we know or is it a secret?

Well... for one, Eve's been gone most of the week cuz squeak's practicing for an upcoming baseball tournament so she's "tormented" me less.

iitscait asked:

what's up sly! you seem... happier than usual, that's nice, may we know or is it a secret?

...in addition, more seriously, I'm excited for my hatchday tomorrow because we're going somewhere I've wanted to go for YEARS... I'm really looking forward to it. I'm also gonna VC with my boyfriend when he wakes up, so that's fun too!

fluffijaspeon asked:

Happy Hatchday, stinky!

...CALLING ME STINKY
ISN'T A VERY NICE
GIFT.

trickyhofnarr asked:

ooooh, slyyyyyy :o) whos your boyfriendddddd

My boyfriend is named Carl!
He doesn't live here... we're in
a long distance relationship.

E-Eve says she doesn't
believe he actually exists
even though she's heard me
talking to him... But he does
exist! He's very much real!!!

cosmosnaught asked:

tell us more abt carl! he seems very nice ^_^

Well... firstly, he's an artist like me, we met through an art community on Bwitter.

He likes Orbemon a lot, it's his favorite thing like, ever, basically. He also likes anime as well.

em-cam-things asked:

aw, it must be nice to have a boyfriend! how and when did you guys meet?

We were just mutuals at first and then he drew my sona for me once and we started talking.

This was back in 6045, I was 16. We started to date when I was 17. He's also my age, but his hatchday was in Bebruary.

Also, in a few minutes I'll be 19! Don't think I mentioned that.

sundewdream asked:

Sly! How many hours is the time difference between u and ur boyf :0?

Me and my boyf have 12 hours so we just flip the am/pm :0 it's kinda funny fkkddbd

...we have a 9 hour time difference, so in a few minutes it'll be 9 AM for him.

I stay up really late just so we can talk. He does too. Our sleep schedules are so messed up for each other...

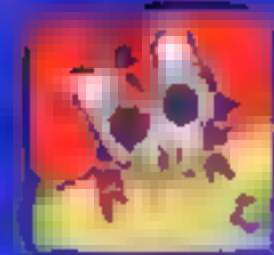

trickyhofnarr asked:

where are ya going?

We're doing something really exciting... we're going to a place called the Weird Wide Web National Museum of Internet Culture!

It's basically a museum that documents every recorded internet subculture, from art communities to social media history and online games and forums, all sorts of things.

Old internet stuff is one of my biggest interests ever and I've wanted to go here for ages!

trickyhofnarr asked:

where are ya going?

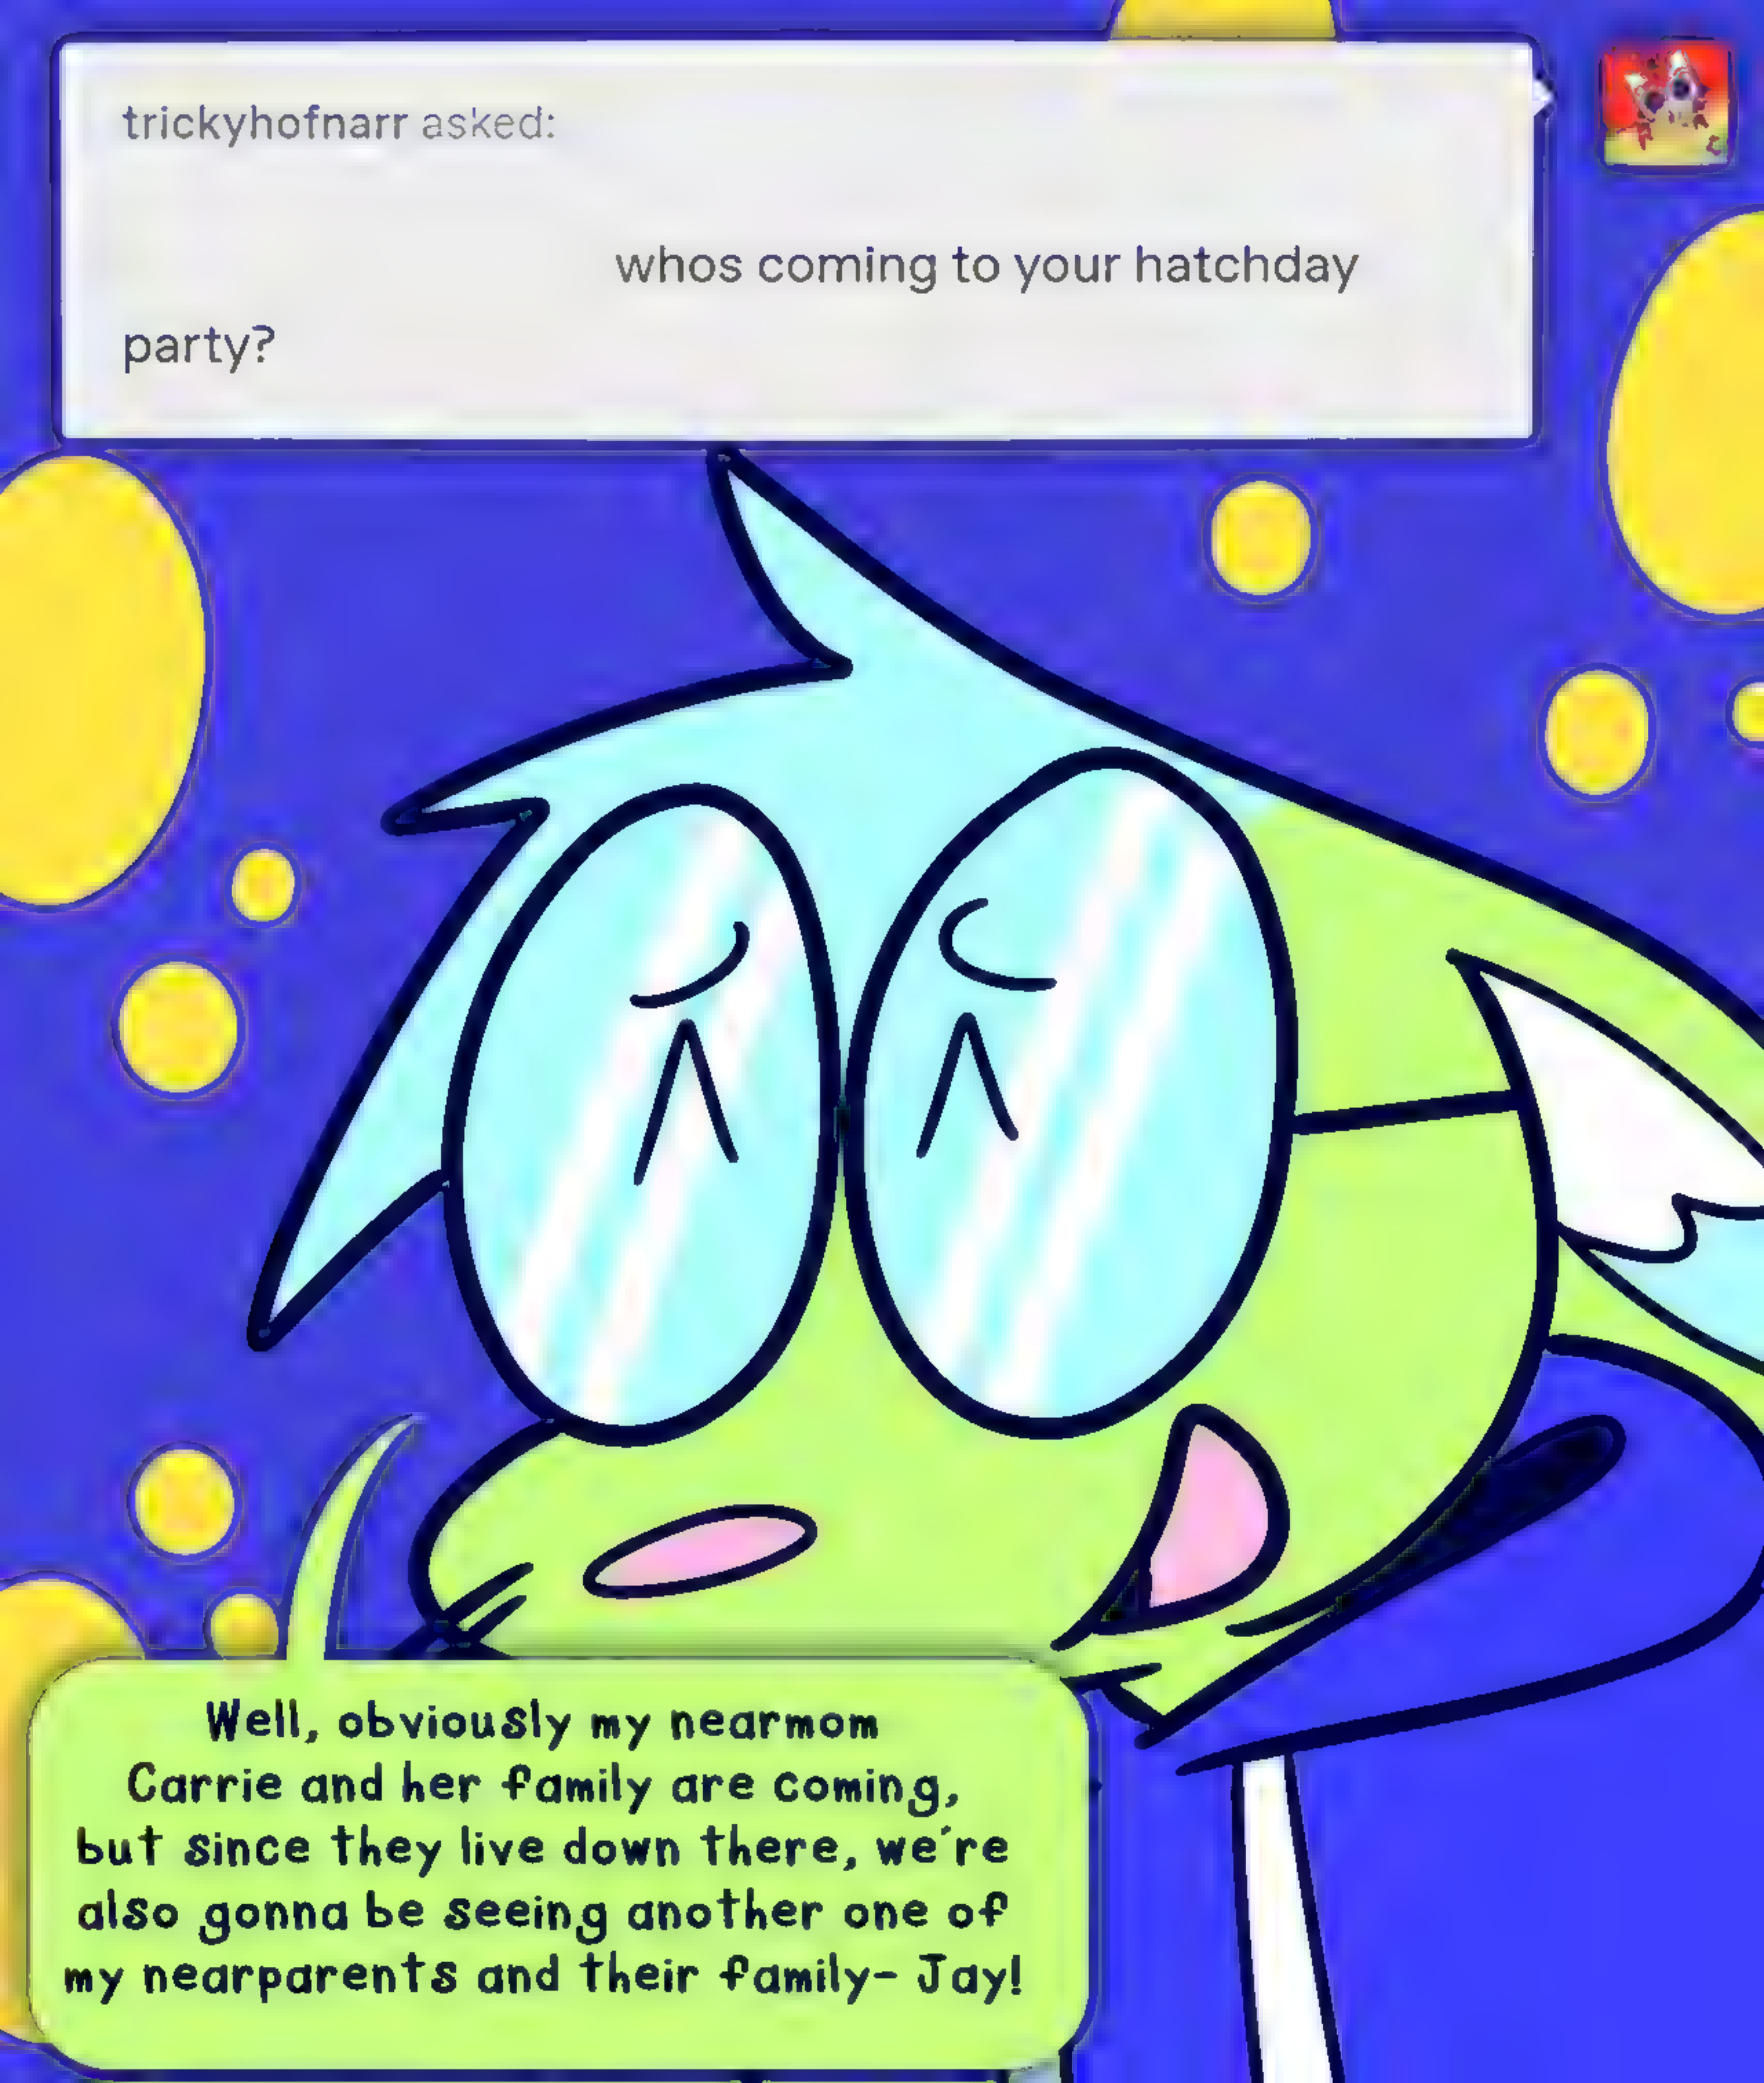

I.... really should be asleep right now because we have to fly there, it's in Zumplac, and our flight leaves at 6:30 AM tomorrow...

It's a really short flight, hardly an hour, but still...

trickyhofnarr asked:

whos coming to your hatchday
party?

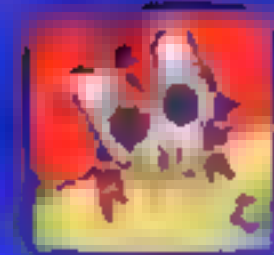

Well, obviously my nearmom
Carrie and her family are coming,
but since they live down there, we're
also gonna be seeing another one of
my nearparents and their family- Jay!

trickyhofnarr asked:

whos coming to your hatchday
party?

...but seeing Jay means that,
much to our chagrin, that
LEVI will be there.

TEARS FUCKING
HELP US.

3ndl35s-dre4m1ng asked:

Whos Levi??? And why do you hate him so much?

gary-pichu asked:

whats so bad about levi? (Or whatever their name is)

doatunny asked:

who is Levi ?

radioxen asked:

Who's Levi and what's so bad about them?

redtheheeler asked:

Who's levi

pepsicat77 asked:

Who is Levi and why do you hate him so much?

...u-uhhhh...

...your life is so much better the longer you don't know who Levi is. T-trust me.

cosmosnaught asked:

whos levi and are they worse than eve????

.....yes. I know that's a lot coming from me, but... I don't think you fucking understand what this guy is like.

C-can we change the subject? I don't want to get sick.

missalfun asked:

Wait if the flight is less than an hour or so, why not go there through a car drive? /genq

...you don't wanna drive through the woods up here in Moorening, they get really thick and the roads on the highways are in such bad disrepair that it's almost unsafe to leave in a car.

Flying is not only safer but it's faster. You're still going across the entire region.

"#1 Orbemon Fan"

Hi Sly!!! Happy
hatchday!!!

eeveeskittles asked:

HELLO CARL!!! :D How are you? :]

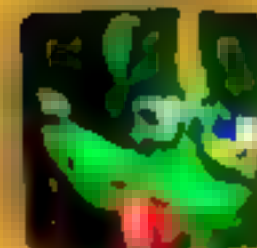

Hiyaad! I'm
preeetty good!!!

Just woke up a
few minutes ago!

geencream asked:

hai carl how tall are you

O-oh, uh... I really hate it- but...

I'm 8'3". It's really inconvenient. I struggle to go through doorways or fit in cars.

Also, I had to use magic to make everything in my room big enough for me.

sillyfunny asked:

Carl what's your favorite orbemon and what's your favorite orbemon game this is very important i assure you

My Favorite Orbemon game is Orbemon Eclipse, which came out alongside Orbemon Light and Orbemon Dark in 6034 when I was a kid!

It's my Favorite because when I was a kid, the message about doing what you can with the time you have really moved me a lot and made me think a lot at a young age.

letgetbet asked:

Carl, do you have a favorite orbemon?

My Favorite Orbemon is PuriPorb mostly cuz it's cute and I love hedgesogs!

sinnamonsters asked:

Carl, what is the rarest Orbemon card that you own?

The rarest card I have is the 5996 Orbemon Base Set Holo Venusorb! I found it at a garage sale when I was a kid. The owner didn't know the value, and I didn't either. I just thought it was cool!!!

this-is-fox-speaking asked:

carl, do YOU know who levi is??

I've heard...
Stories...

Early impressions
aren't great.

Sly does tell me a lot
about his family, so I know
all their names and what they're
like. I don't have siblings so I
can't really relate to his experiences,
but I try to support him through it.

mcd-big-mac asked:

Hey ken! Where are you from?

Me

Sly

I live in Palentine! It's west from where Sly lives, and across the ocean... and our time difference is 9 hours...

...but we make it work!

somewandomnoob asked:

Carl, what is your current opinion on all of Sly's siblings?

well, I'm sure they're all good people because Sly does love them, but...

...they're all pretty mean to him, according to what he describes about his daily life.

Not in an abusive way, but he's just made fun of a lot. I don't like hearing that they're being mean.

enderlordisadumbusername asked:

wait so do we call you carl or ken?

My name is Carl, my display name (Ken) is the name of my song. I have it set as that for RP stuff! Here's -- sorry, my laptop screen doesn't show up well on my phone...

--here's what my song looks like. Oh, you can't see it at all. Damn.

basilirl asked:

Hello carl!!! do either of your or slys parents know abt ur relationship together? If so what do they think?

Our parents are really supportive of our relationship! I was honestly scared to tell mine at first, but they took it really well.

gary-pichu asked:

Have you ever met slys siblings or has he just told you about them?

Well, I haven't ever been to GLO before and we haven't met in person, so no...

I do hope we can meet someday. It's just hard to arrange that and stuff...

cat-vase asked:

carl since you're a dragon can you fly?? :o

Yep, I can! But not when my wings are in their small form. See, I'm already 8 feet tall so I take up a lot of room. my natural wing size would take up **EVEN MORE** so I use magic to make them smaller.

My natural wingspan is 44 feet and these are the ones I use to fly with outside, obviously.

cat-vase asked:

carl since you're a dragon can you fly?? :o

Y-your wings are...
44 feet across? I-I didn't
know that number.

T-that's like- on your side
with them vertical they would
be 40 feet taller than me.....

Well, I'll be sure
to not open them up
around you to not make
you feel smaller.

electricentertainer asked:

You know what they say about long wingspans Sly? :]

.....u-u-uhm.....

enderlordisadumbusername asked:

hey sly, shouldn't you head to bed soon? it is late

W-well, uh, I do have
to get some sleep... I have to
be up pretty early for the flight.
I love you baby!!!

I love you so much,
Sly! Goodnight! Sleep
well, okay?

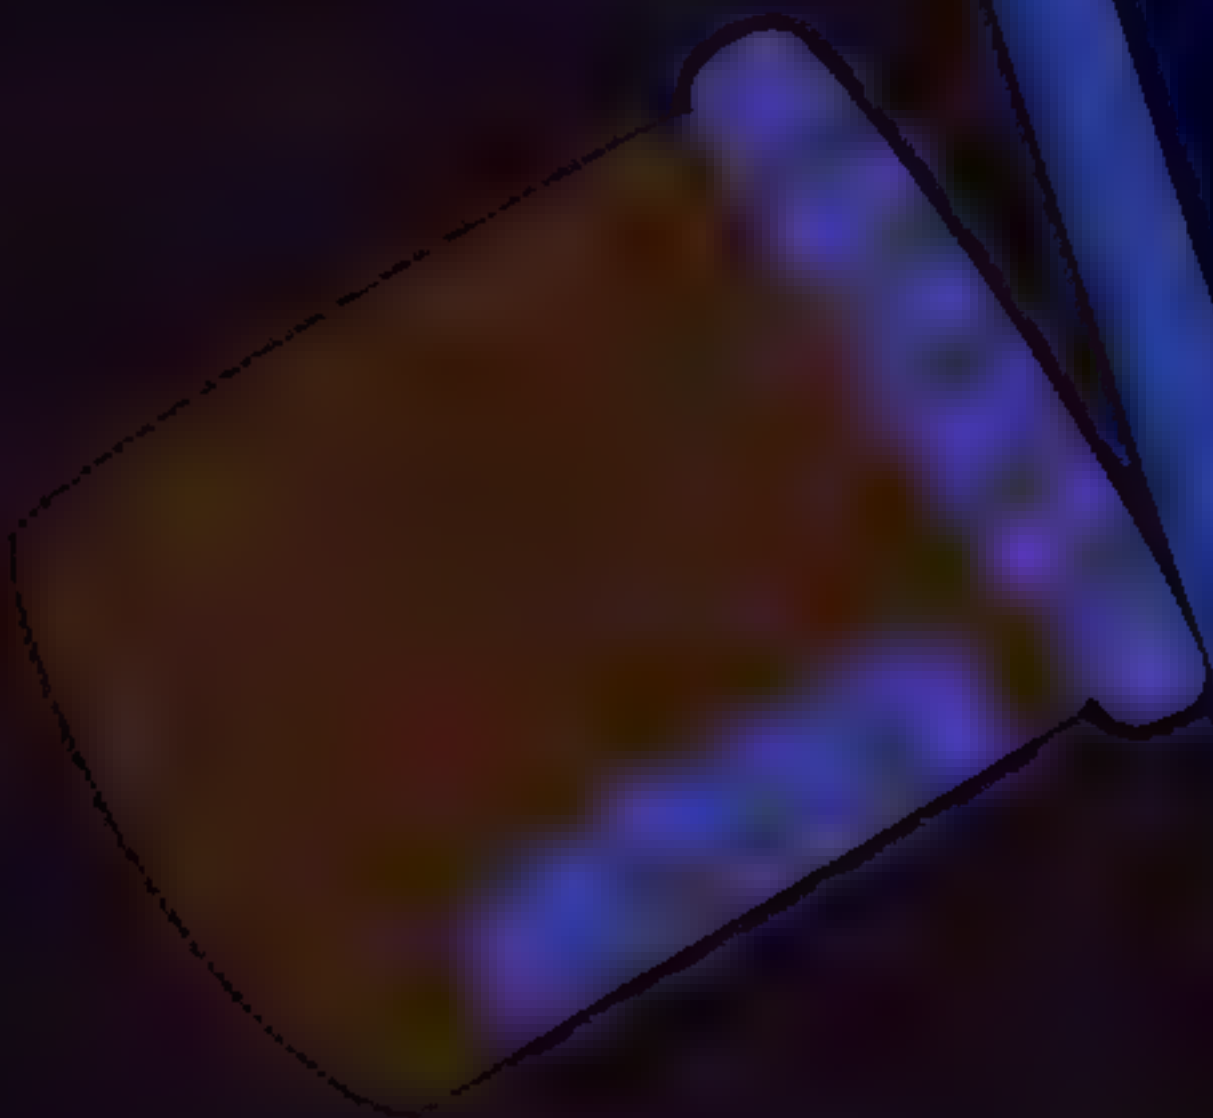

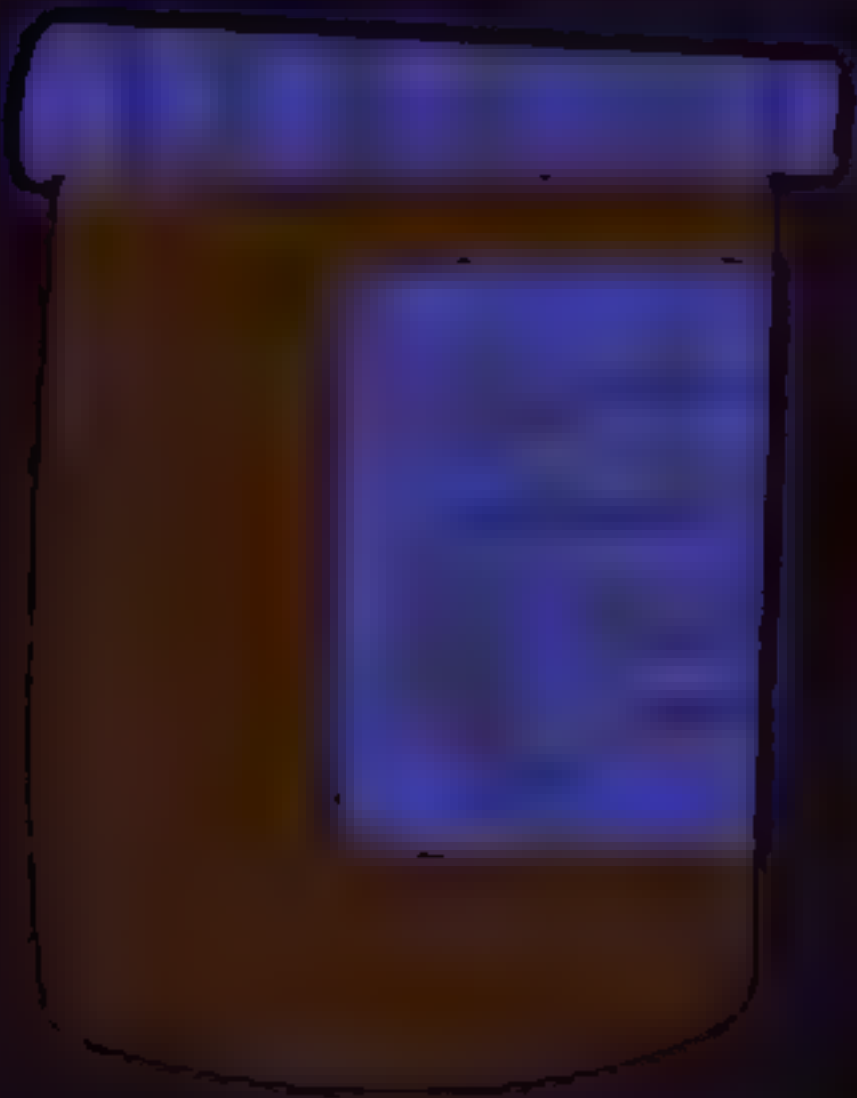

I will!!!
Goodnight!!!

END

SWITCH

...h-huh....? Who's...
who's there...?

pepsicat77 asked:

Hello person in sly's room who are you?

Good morning,
big brother! Happy
hatchday!!!

—EVE!!! WHAT
THE FUCK ARE
YOU DOING!!!!

A cartoon illustration of a girl with short, wavy pink hair and large, dark sunglasses. She is wearing a light blue shirt and has a confident, slightly smug expression. She is looking down at a boy who is partially visible at the bottom of the frame. The boy has brown hair and is wearing a green shirt. The background is a solid light blue. There are two speech bubbles: one from the girl at the top right and one from the boy at the bottom right. The girl's speech bubble is white with a black border, and the boy's is yellow with a black border. The text in the speech bubbles is black.

.....bro, I'm waking
you up. You have to get
ready, we're leaving in
an hour.

Dad told me to tell
you to shower, too.

...unintends you WANT
to stink up the whole airport
and museum, be my guests

I have to
shower...zzz

trickyhofnarr asked:

slyyyy we can hear your thoughtssss.... whens the last time you showered bro :o/

...I-I... I don't remember... T-that's how bad it is...

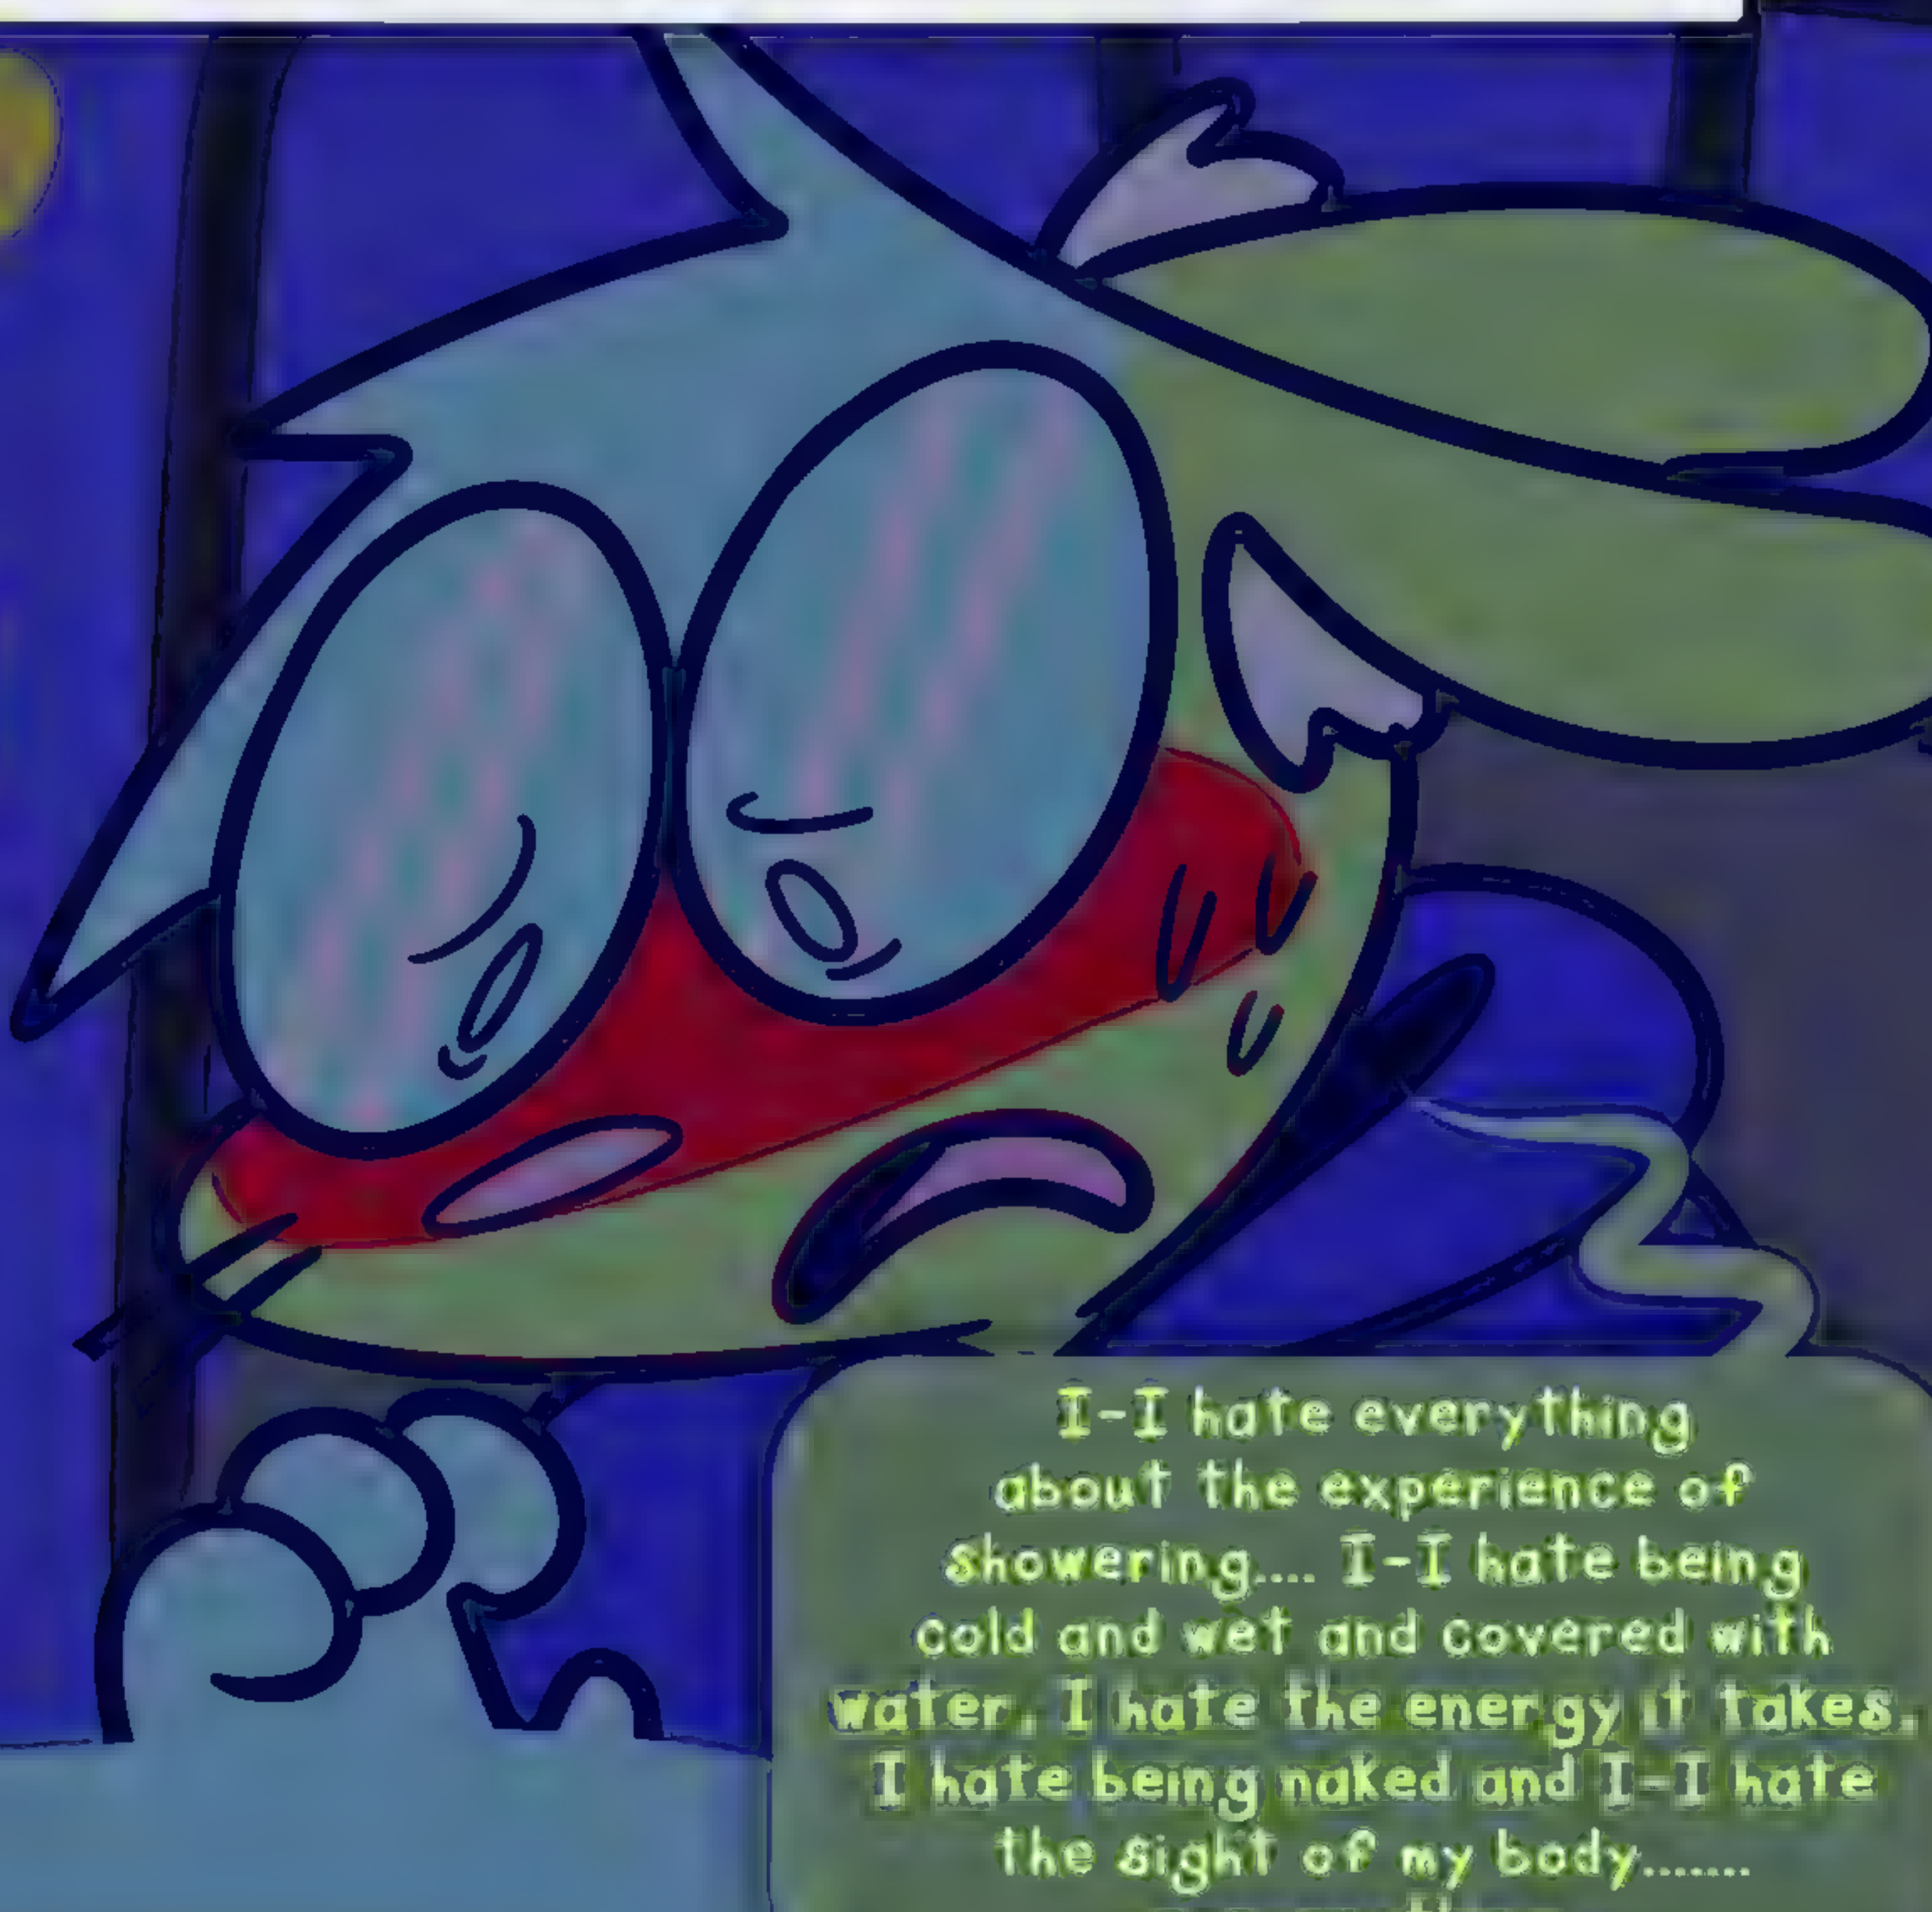

enderlordisadumbusername asked:

sly what's wrong? it's just a shower

mcd-big-mac asked:

What's wrong with showering sly? You'll feel nice and clean afterwards

I-I hate everything
about the experience of
showering... I-I hate being
cold and wet and covered with
water. I hate the energy it takes.
I hate being naked and I-I hate
the sight of my body.....
—e-everything.—

glassedwater asked:

sly think of how many people would call you stinky

*I-I don't even care
what people think of
me as long as I don't
have to go through
that again...!!!*

rarewubbox asked:

If youre nervous about being naked, maybe showering with the light off can help so you cant see your body?

videoblog2395 asked:

i understand showering can be scary!! i used to shower with the light off, maybe that will help? i understand not liking water as well, you can do this sly!! i believe in you!!

My vision is really bad in the dark... a-and I'm scared when I can't see well... I have really bad fears of total vision loss so I don't like having it obscured.

c0metsandm00ns asked:

It's ok Sly, it doesn't have to be a long one or anything. Just take a quick five minute shower so that way you can get out, dry off and get dressed as fast as possible. Also you'd most likely be able to set the water to a warm temperature if the cold bugs you.

...o-okay... I... I'll
try to just... be quick.
In and out as fast as I
can....

.....

sinnamonsters asked:

It's alright, Sly. You've got this. The first time in a while is always hard for anything, I understand. Just take your time.

O-okay... I've got this...

eeveeskittles asked:

It'll be okay Sly, just be quick and try not to look. You've got this! :]

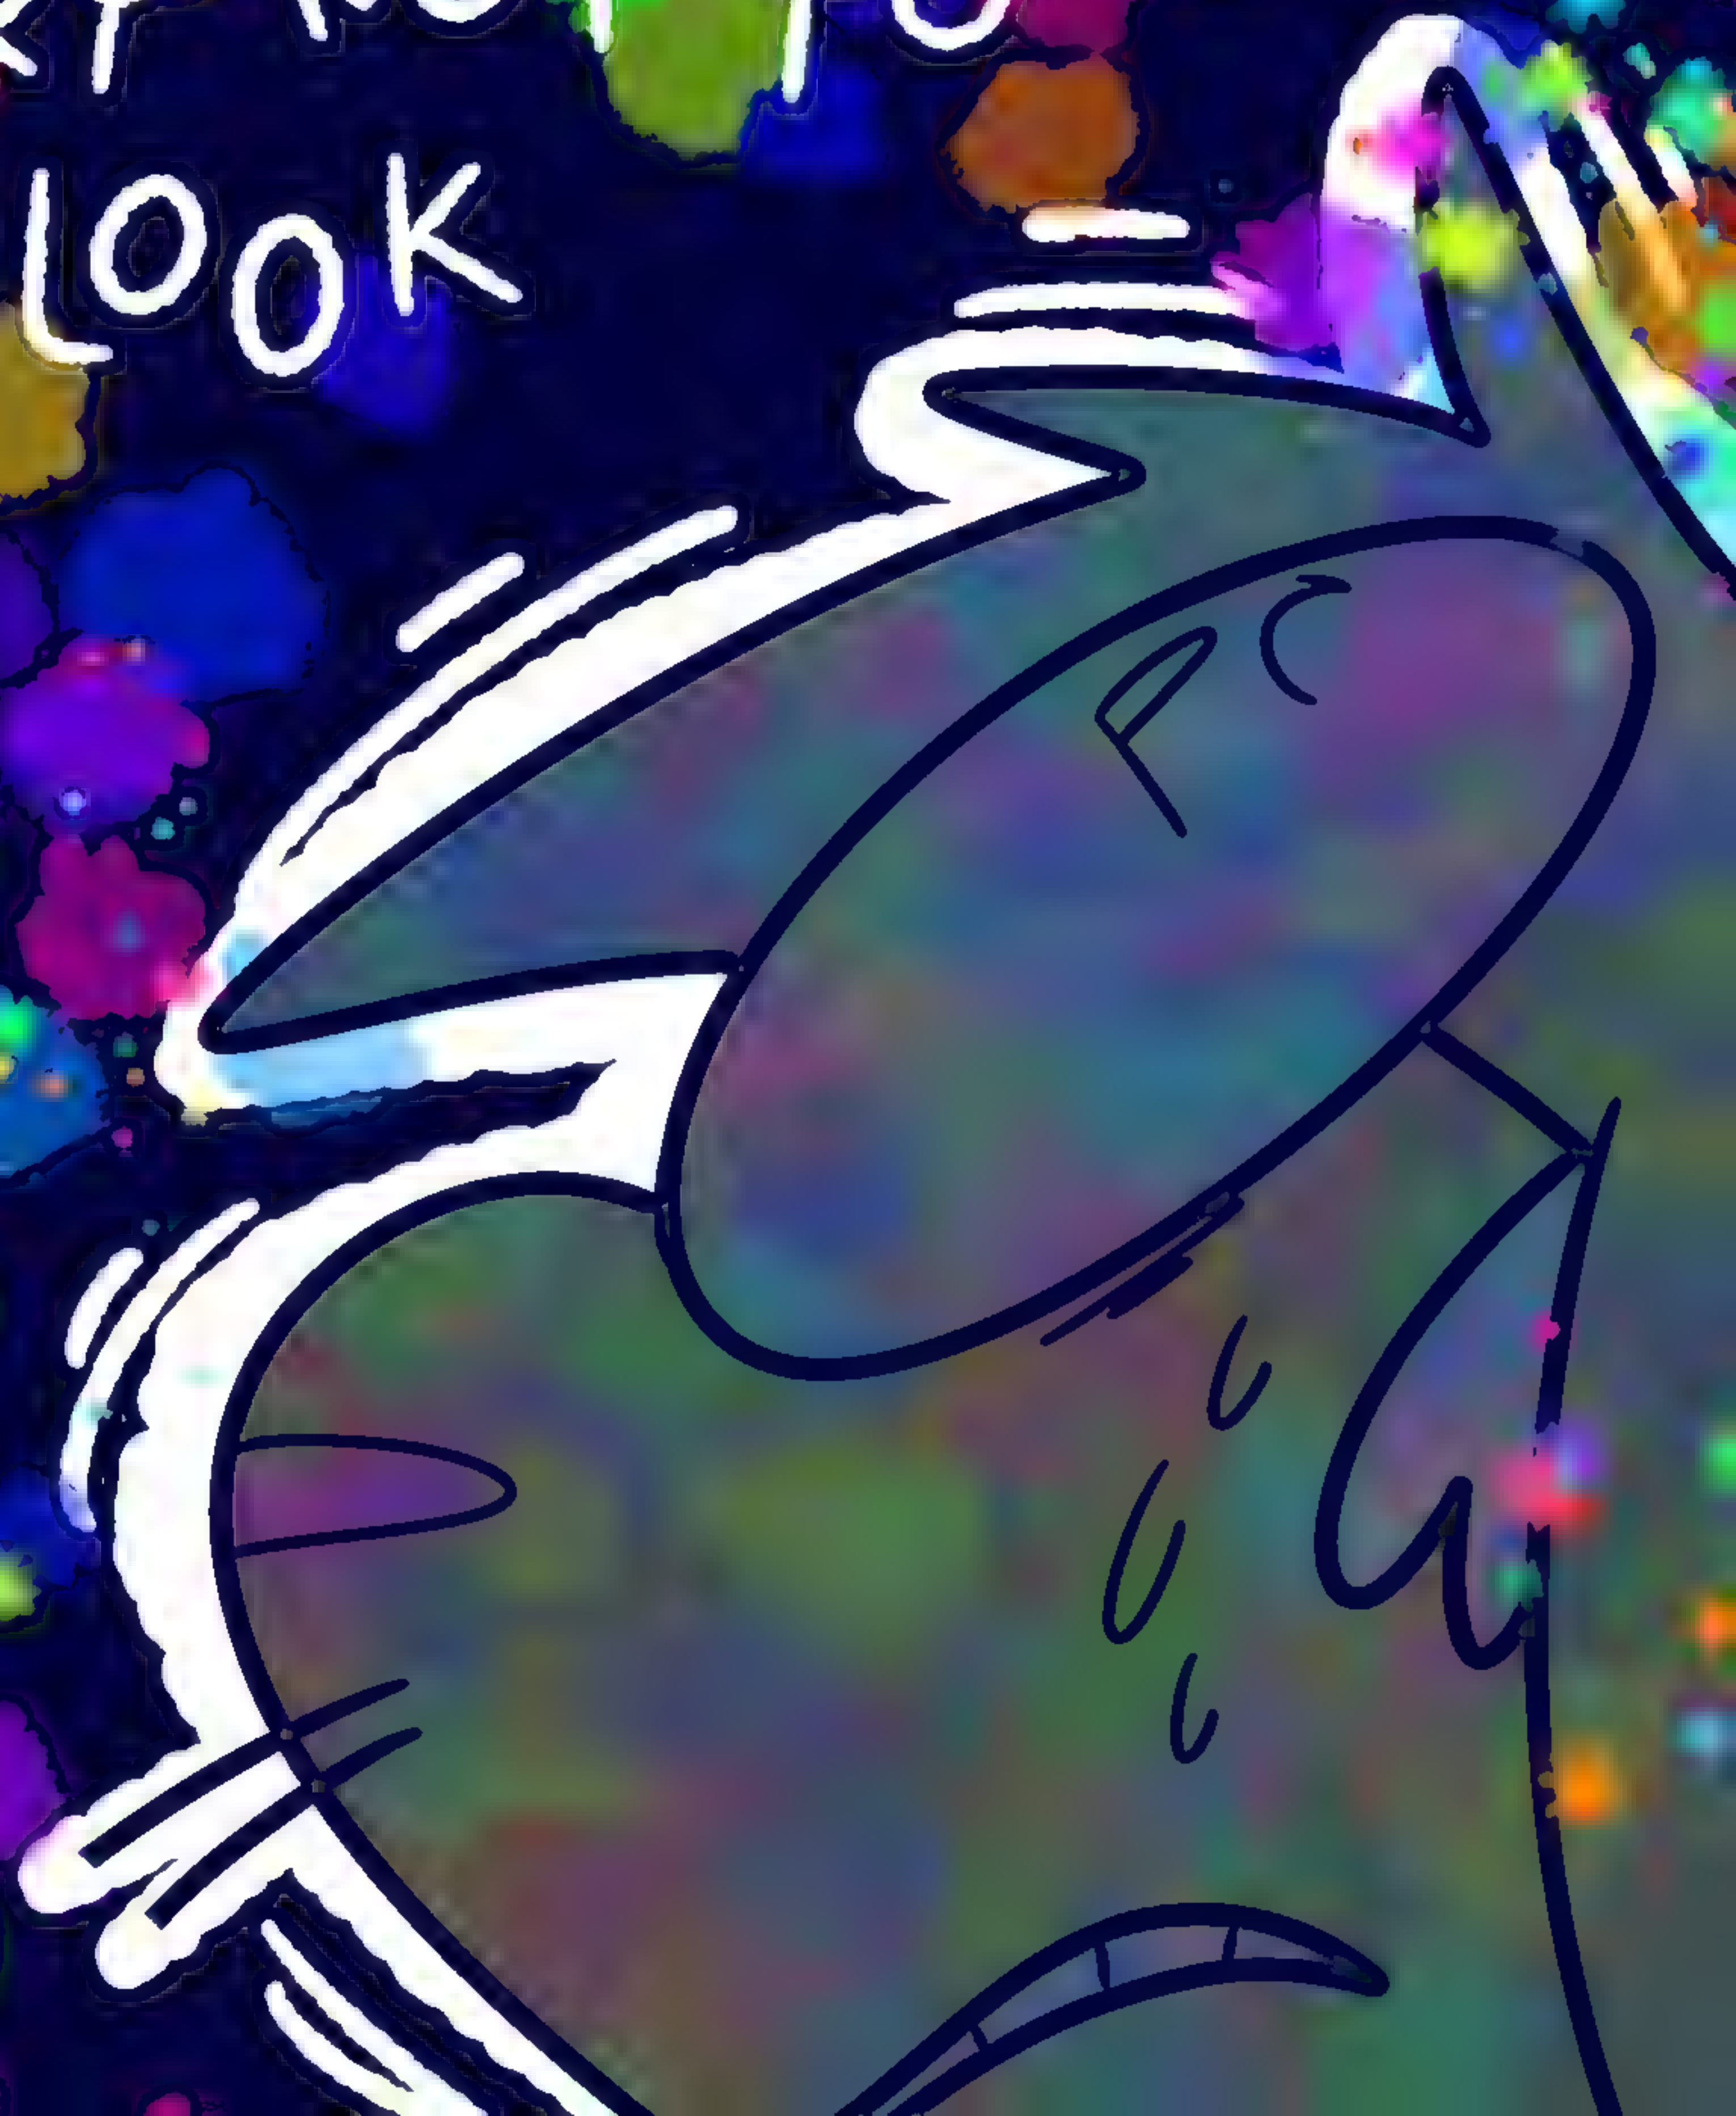

Try not to look...
just try.....

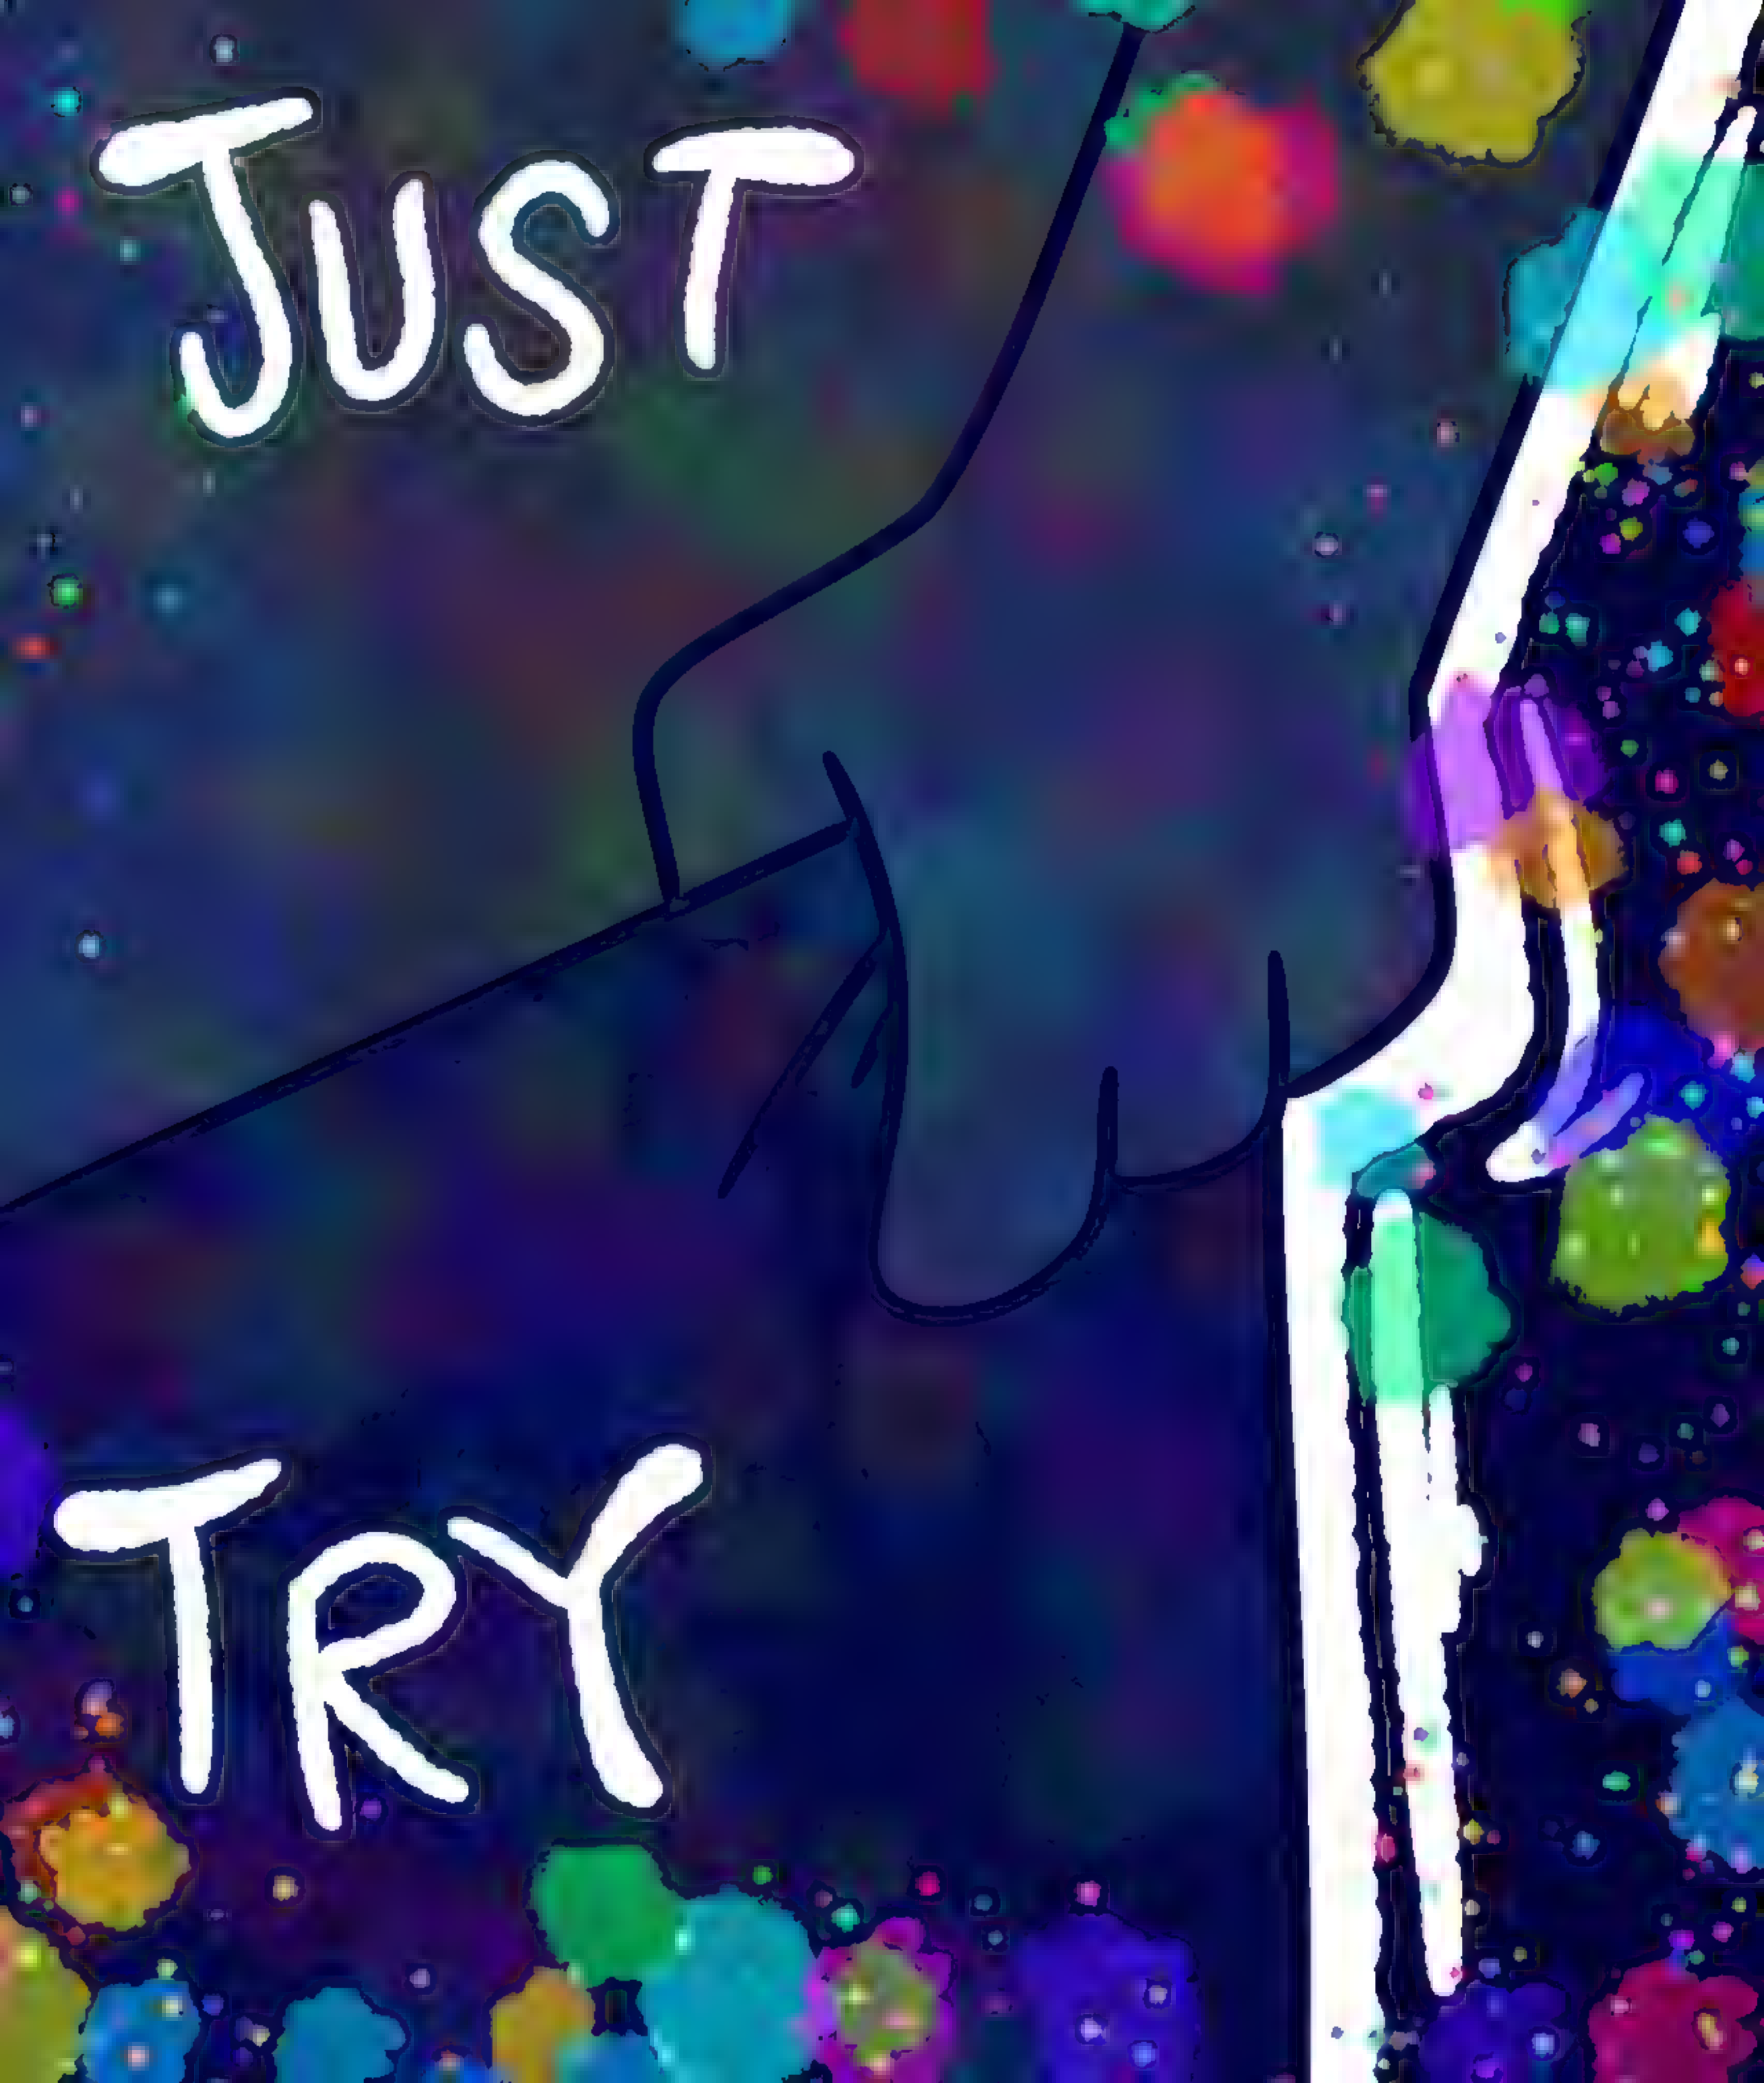

TRY NOT TO
LOOK

JUST

TRY

TRY

GO

redtheheeler asked:

sly are you okay? how did it go?

...w-well... I'm
alive... for better
or worse...

sinnamonsters asked:

You did it! That's all you had to do. It's over now.

...y-you're right...
it's over... it's all
over...

jessiedoggie asked:

Sly!!!! Oh my goodness.... Are you going to be alright?
I'm so sorry.

..I'll be fine... I...
I always am...

foolishly-snowy asked:

Now get some fresh clean clothes on to make you feel a little bit better? Don't put on those same smelly ones or all that effort will be wasted <3 :(

juiceykw asked:

I'm so sorry Sly, i know that was hard, and it's okay if you weren't in there for long

We're so proud of you, though! You tried, and that is enough

Oh, um... thank you... i-it's not really that big a deal, though...

trickyhofnarr asked:

im so proud of you sly!!!!!! i know its hard for you but youre so tearsdamn strong for doing that. im sorry you dont like how your body looks.... dysphoria and what-not. i get it. but you handled that like a champ <:0)

.....r-really, i-it's fine...
I'm fine, guys, really.

...h-hey dad?

Oh, there he is!
There's my wonderful
son, the hatchday boy!!!
Or should I say
hatchday man?

....y-yep, that's... me...
the hatchday man...

U-uhm, dad, can we
wash my hoodie at
the hotel? I didn't remember
to wash it last night...

Of course we can!
They should have a
laundry unit.

3ndl35s-dre4m1ng asked:

HI BARRY!! HOW'RE YA DOIN'?

Pretty good,
thanks!

electricentertainer asked:

Hey Barry, how much luggage do you have?

Uhm... well... quite a bit.
I mean, there's a lot of us
travelling today.

Hey, Sly, happy hatchday.

Happy hatchday, Sly!!!

...t-thank you...!!!

kp-does-suff asked:

Hi Barry! where are y'all planning to go?

We're going to Zumtin in
Zumplac for Sly's hatchday!
We're gonna go to the Weird
Wide Web museum.

It's a special day
for him!!! He's 19!!!
Hard for me to
believe...

THIS IS A PUBLIC SERVICE ANNOUNCEMENT.

EVERYONE, SLY HAS TAKEN A SHOWER.

THIS IS A PUBLIC SERVICE ANNOUNCEMENT.

EVERYONE, SLY HAS TAKEN A SHOWER.

No, seriously,
good job bro.

I know that's
hard for you, I'm
proud of you!

LET ME GO
WOMAN!!!!!!

eeveeskittles asked:

BARRY!! :D Are you excited to see the rest of the near-family again? :]

I am! We haven't seen Jay's family since Arch of this year, so it's been a bit.

paperreater asked:

bbarry hello!! hi hi!!!!!!!!!!!!!! Hhow will u keep the whole family in check.. 0,0

A-ahah, uh...

...we'll manage.
It's a lot of people
to keep track of, but...
we'll manage.

HEY, WE SHOULD PROBABLY
GET GOING. HEMERA AND
CARRIE AND CHLOE ARE
HEADED TO THE AIRPORT
NOW.

Hemera's
coming?

Why wouldn't
she be?

...old high school
drama stuff.

You guys went to
high school together?

...we're from Domfree.
Class of 6017. Remember?

.....oh.

...Isn't Italhosp where
they invented those rubber
sticky hand toys?

...I dunno.

That's all I know
about that place.

EEA

...it's just a metal
detector... it's not
gonna kill you... what's
there to be scared of?

c0metsandm00ns asked:

What's wrong Sly?

I... I know it's
REALLY dumb and
irrational, b-but-

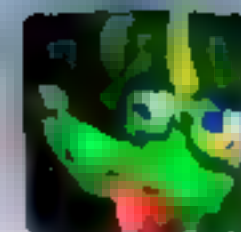

...I don't wanna go
through the metal detector
because I'm scared.

geencream asked:

its not like the metal detector is gonna beep at you violently , i doubt it will everything metal is in the basket thing

That's the thing,
I'm not afraid of it
beeping! I'm not
afraid it's gonna
go off!

I mean, the attention
would be a little weird
but... that's not it.

an-stray-cat asked:

why are you scared of the metal detector Sly?

O-okay, so, this is-
again- really dumb-

But I have a fear of this
thing that can be most easily
described as... "technological
malfunction". It manifests in
many forms.

I'm afraid of going in elevators because I'm scared it's gonna get stuck. I'm scared of escalators and get intrusive thoughts about them opening up and falling in the blades...

I don't like being near a gas pump at a gas station cuz I'm scared it'll blow up. I get such bad intrusive thoughts about anything like this...

A-and I'm scared the metal detector is gonna do something weird and zap me even though that's... n-not how they work at all.... I just can't push the thoughts away... I try so hard....

kawanyanya asked:

hey, it's okay, sly. i struggle with thoughts like that too, you don't have to be embarrassed. i promise you you'll be alright, try and think of something to distract yourself while you go through, it'll be over so fast!

...think of something to
distract myself... okay....

”

”

...okay... stand still...
arms up...

BEEEEEP

Hey, not so fast.

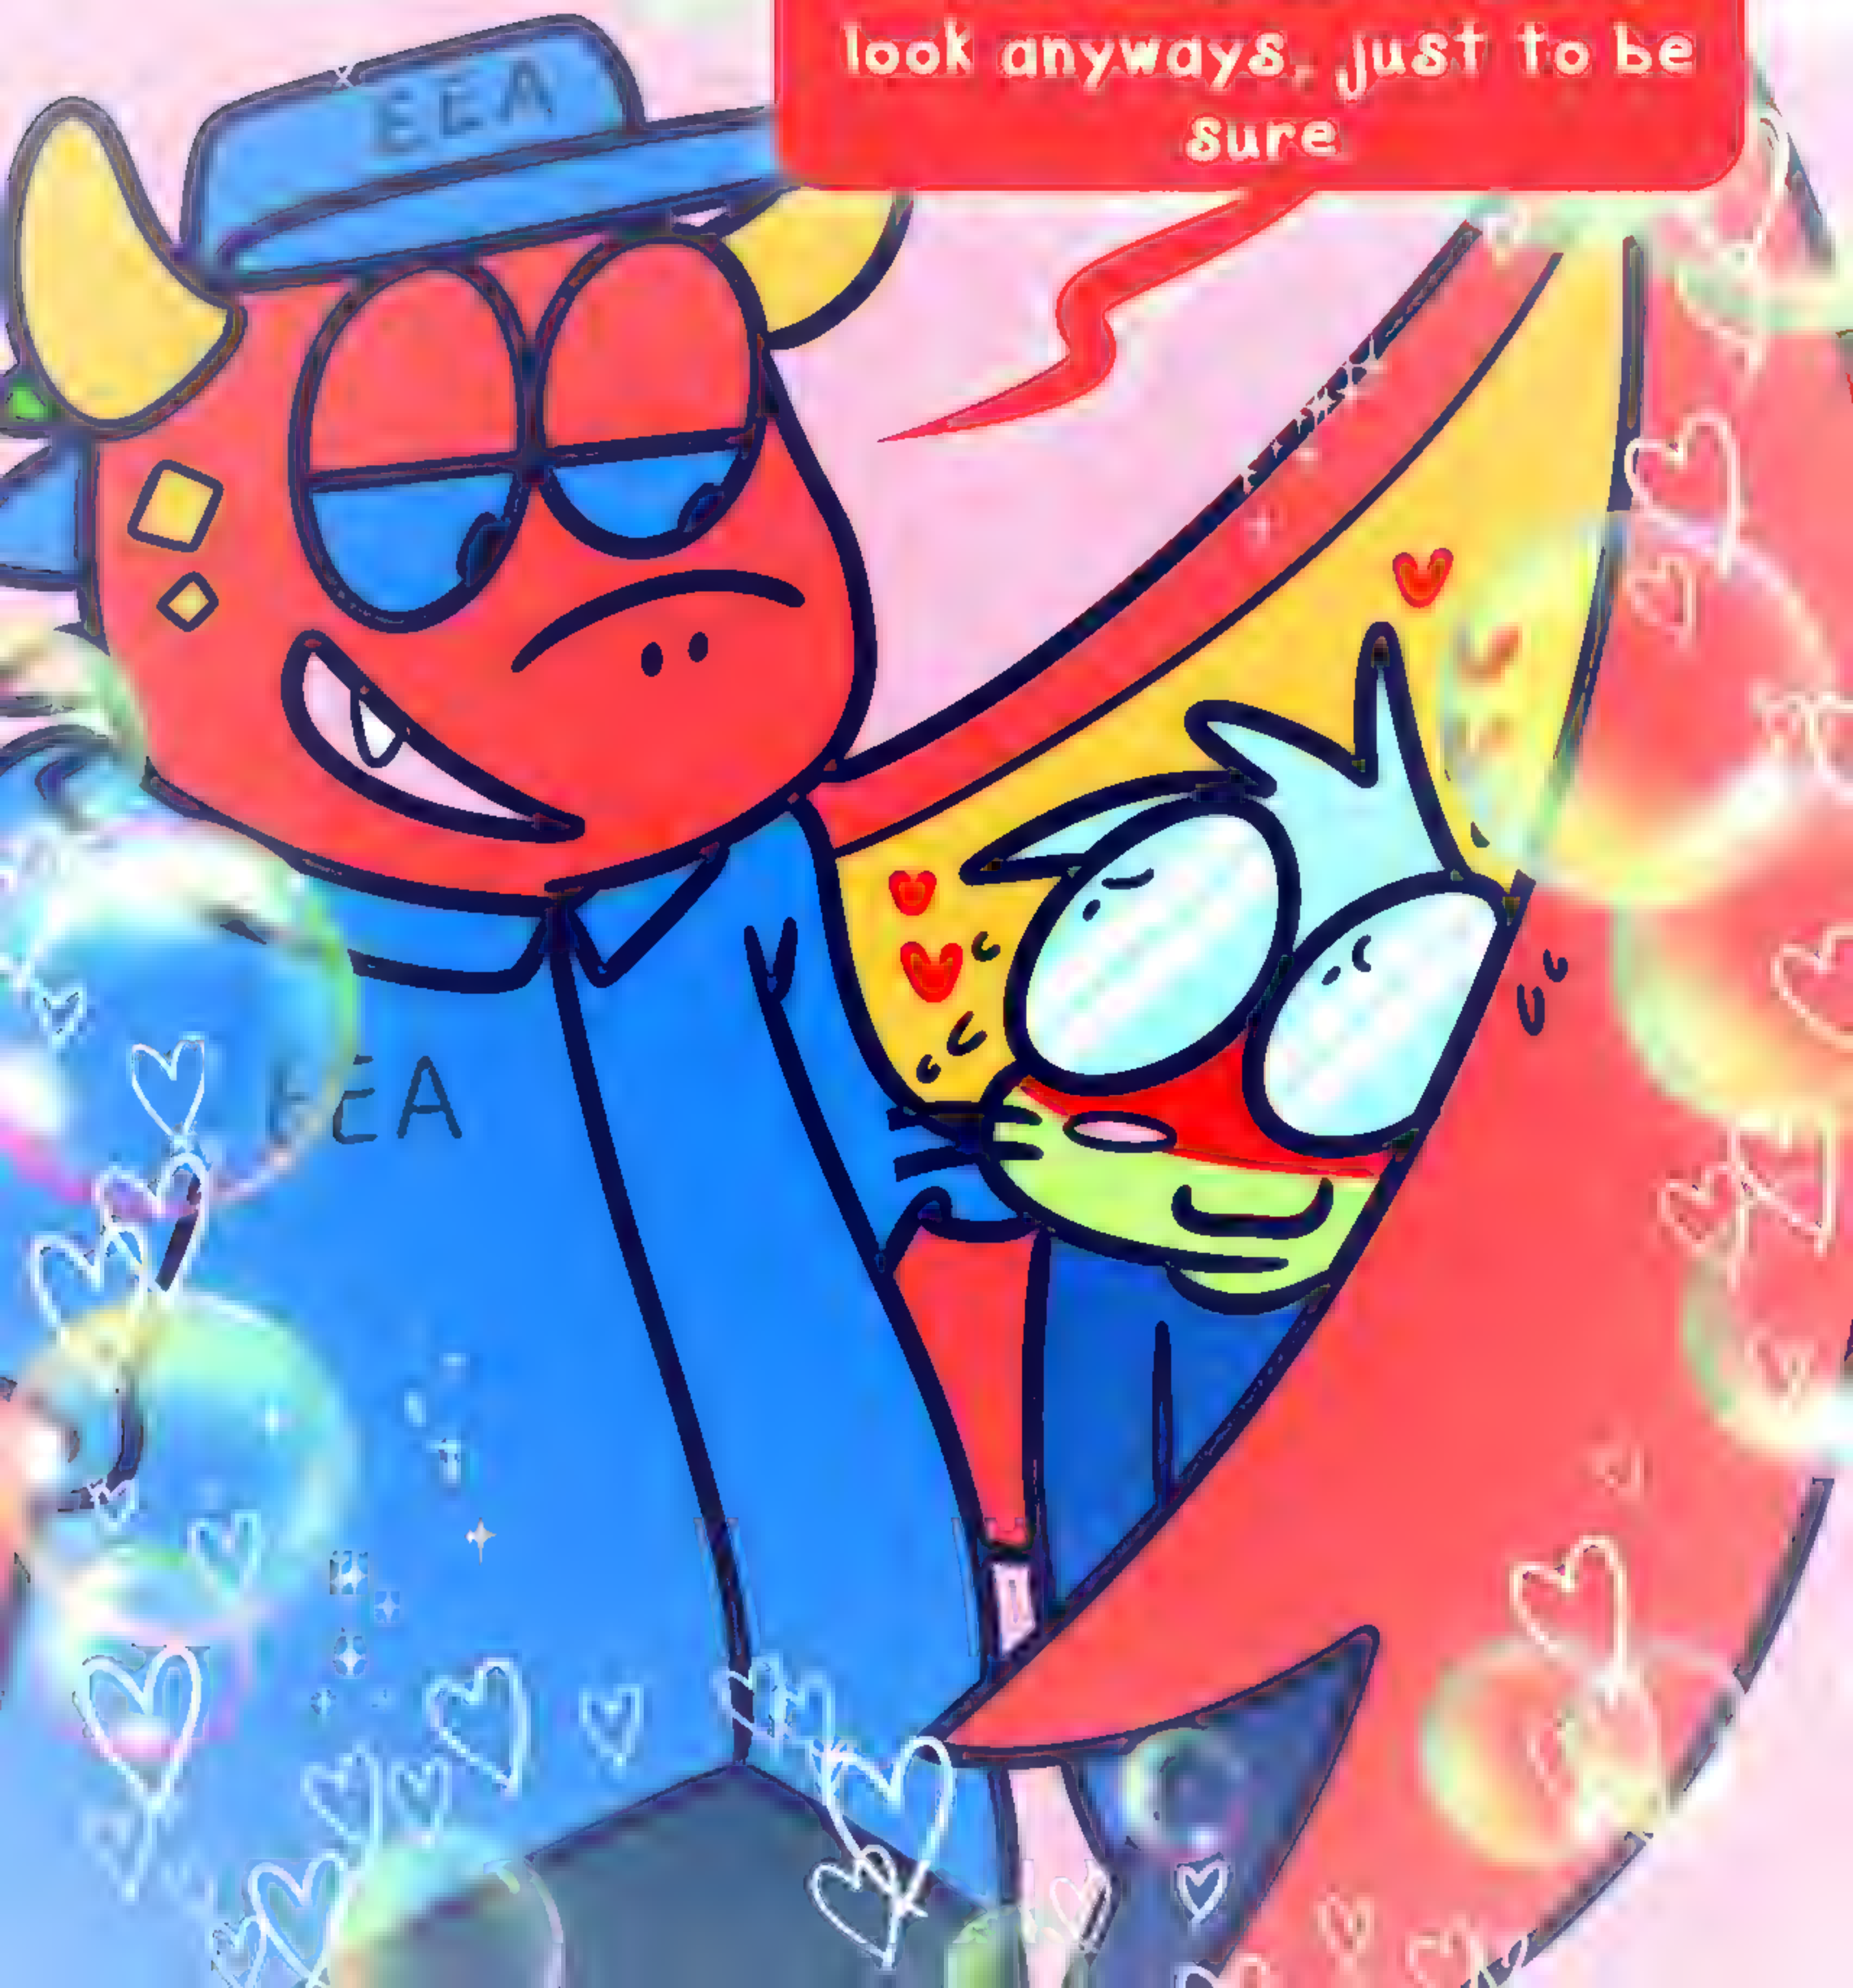

You set off
the detector.

GRAB

Now, it looks like it was
probably just your zipper
for your jeans...

but we should take a
look anyways, just to be
sure

Uhm....
Sir???

Sir, please come on,
other people are waiting.

S-sorry...!!!

masterlink246 asked:

Well done, Sly. You did very good there!

O-oh, uh...
thanks. It ended
up not being so
bad.

redtheheeler asked:

Sly what did you think about to keep yourself distracted? Are you blushing?

somewandomnoob asked:

"Like"? Like??? I don't like anything or anyone. Everything is terrible. All media is bad in some way and you should never enjoy or support any of it.

somewandomnoob asked:

Hi Tella! What do you like?

I may not like anything, but I spend my meaningless days aesthetic blogging. There's no point in it, but it makes my time inching towards the end of the world go a little faster.

kittkat56 asked:

Hello Berry!! I see that your a fan of farming. Do you grow your own plants? What kind of things do you grow?

I actually don't; I volunteer at a local orb farm because I love it so much! I've been into ferry caretaking and farming for several years!

It started as a summer volunteer thing but I ended up loving it!!!

jayflamestar asked:

hi berry! do you know if you were named after the other barry, or was that just a coincidence?

Yes, actually... I was.

They named me after him because he helped get them together. Everyone else had been in relationships for a while, but my renny had a lingering crush on my mom for a long time...

...and he convinced them to finally tell her about it, and she responded well. So my renny wanted to name me after him.

redtheheeler asked:

Hi berry! Do people get you and Barry mixed up?

It's a little mixed up,  
but we have a solution  
kind of.

Barry (the dad) is  
kids all call him "dad"  
and we Barry. Anyone  
who isn't one of Barry's

Sometimes people forget

doatunny asked:

hi erry ! how does it feel to be the only normal sibling of the bunch ?

...well, you can largely attribute that to the fact I never use the internet.

I hate social media and being online. My siblings call me a grumpy nerd. I get it, but I don't get it at all. I prefer nothing in reality. I just sit there, just looking at a screen.

I want the life, looking at stuff and stuff, but I don't TALK to anyone. I have some friends so anything or whatever they're called.

It's a pretty crazy place. this isn't an average museum, it's almost like a physical virtual reality. It's hard to explain...

electricentertainer asked:

Hello Tilly, who are you and why are you redacted?

H-hello! I'm an IT specialist- that's-  
my profession, but I uh, have some  
other hobbies.

For one, I uh, I like to build  
things like computers or other  
electronics and robotics. I also- I  
also really like music. Not uh-  
making it, I just like it. Um-  
-y-yeah.

rainy-october-weekends asked:

hi jay! you're so pretty!

Thank you, that's  
really sweet!!!

eeveeskittles asked:

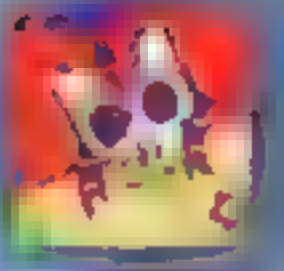

HI JAY AND TILLY!! :D Are y'all excited to be with the rest of the family for this trip?

It's always great seeing my partners' families, especially for special occasions like today!

I love all the kids so much. They're all such a joy.

trickyhofnarr asked:

whats everyone most excited for in the weird wide web museam?

I'm not "excited" for anything, but I will be looking at the Bummr exhibit for sure.

It may be pointless, but it passes my fleeting time on this planet.

trickyhofnarr asked:

whats everyone most excited for in the weird wide web  
museam?

A cartoon cat character with blue fur, a white muzzle, and large, expressive pink eyes. It has a green bow on its head and is wearing a blue sweater. The cat is looking towards the right, where a black cat is standing.

I have several I want  
to take a look at, but I  
think I have my eyes  
set on the fanart  
exhibit.

For no reason,  
of course.

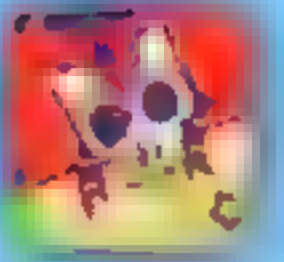

trickyhofnarr asked:

whats everyone most excited for in the weird wide web museam?

SO MANY THINGS!!! There's so much I want to see there-- I know we won't have time for all of it, but the MAIN thing I'm looking forward to is a limited-time exhibit-- THE GEOPETS EXHIBIT!!! It's got a ride that takes you on a kind of rollercoaster around the exhibition hall to all the lands of Geopia!!! It looks so fun!!!!

trickyhofnarr asked:

whats everyone most excited for in the weird wide web  
museam?

LEAVING.

Well, let's get our  
stuff to the hotel

Hey bro, what

I have a

I wonder if there's a Mal-mart

your phone to look it up?

cupidloathingcorner asked:

say that YOU can look up if theres a mall-mart on your phone. if youre comfortable enough to show the screen than do so. i know your brother isnt trying to trick you or anything.

colfestr asked:

OFFER TO LOOK IT UP FOR HIM INSTEAD

sinnamonsters asked:

Psst, Sly, just look it up for him, he won't see anything that way!

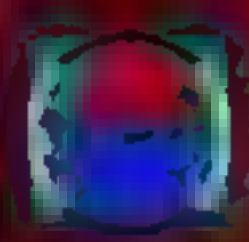

ivyloveheart asked:

Maybe you could look up if there's a Mal-mart nearby for Marco instead of giving him your phone Sly?

juiceykw asked:

Maybe you could offer to look it up for him, instead?

U-UHHH- I CAN  
LOOK IT UP FOR YOU!

redtheheeler asked:

Sly just tell him you can look it up for him, whatever you do ACT NORMAL he'd get suspicious if you just start sweating and stuttering

Hey man, I'm not gonna

kp-does-suff asked:

Sly..... What's in your search history????....

Sly, I'm not gonna go looking through your browser history if that's what you're afraid of. I'm 3 years older than you so I get it, I'm not gonna violate your privacy like that.

I-I'm not HIDING anything,  
I just don't like having my phone  
touched... I don't really know why...  
It's a weird paranoia thing....

Well, you can trust me, okay?  
I'll take like less than a minute

A cartoon illustration featuring two characters in a dark, atmospheric setting. On the left, a character with light blue skin and large, dark sunglasses looks down with a somber expression. They have short, spiky dark hair and are wearing a dark blue long-sleeved shirt. On the right, a character with light blue skin and large, wide eyes looks up with a surprised or concerned expression. They have short, spiky dark hair and are wearing a red long-sleeved shirt. A speech bubble from the character on the right contains the text: "MAN, THEY REALLY WENT ALL OUT FOR THIS PLACE." CHARMER "CHARMY" SAUCE

17 - she/her - Grade 11

"#1 Theater fan"

ashes-to-rainwhisker asked:

Hey Charmy, having fun at the exhibit?

Hmph, NO. I think  
cogs are LAME. I'm only  
in here cuz my baby sister  
Bubra wanted to see it. She's  
really into cogs and ferries.

Which is fine.  
I just hate that I'm always  
being forced to take her places  
like this by our foster parents.

I could be doing useful  
stuff like practicing my  
acting! Or writing! Or  
something!

mothgoop asked:

Hi new person! How're you enjoying the museum?

Meh. The museum itself isn't bad, it's cool to learn history, but I just wish I could like, come here on my own accord.

Not as a chaperone for my sister. You get me? It takes away the fun.

cherrycobblerpie asked:

AYEEE GRUMPY CHARM TELL US ABOUT YOURSELF  
MATE :D

You are looking at  
a star in the making. I'm  
gonna go to acting school  
and be a theater performer  
and maybe even write my  
own plays. I'm gonna be  
super famous. I can pull  
off acting any emotion.

ashes-to-rainwhisker asked:

Aww man, sorry you're not able to enjoy the trip all that much. Do you want to maybe tell us a bit about your writing? It seems like something you're pretty passionate about!

I write things that **MOVE PEOPLE**. That invoke **FEELING**. **POWERFUL** dialogue, powerful visuals, body language, sounds; every piece of it is art.

vlada-slavik asked:

Why don't you show us some emotions, Charmer? ( aside from being grumpy yk... )

Very well. I will show you unbridled joy, tear-jerking happiness.....

foolishly-snowy asked:

Charmy, do you and Sly know each other? From school maybe? :o

I don't think so. What school do you go to?

O-oh, I don't live here.  
My family is from East Eroid  
in Moorening.

Hey, that's the town  
with the story about the  
UFO, isn't it?

....that's all anyone  
knows about our town,  
yes. We're not really  
known for anything else.

My sister's obsessed with that story. She really likes alien stuff. Which is cool, it makes her happy. She thinks she's an alien cuz she has dreams about it sometimes. She's 11, so I'm sure she'll grow out of it eventually.

Charmy!!!

"#2 Space fan"

This cog looks **JUST**  
like me... and it's in  
**SPACE!!!!!!**

melcyn asked:

You seem to like space, Bubra!

I sure do! My dad made a Rolas Metsys diorama for my room, and we have real constellations painted all over the walls and ceiling!

solarpawbs asked:

YIPPEE BUBRA!! You having fun so far? :]] What's some of your favourite things you've seen so far?

My favorite exhibit so far is the Geopets exhibit!!! It's got like a rollercoaster-like ride in it!!!

You went on  
the rollercoaster?

I did! Well, it's not  
**REALLY** a rollercoaster,  
but it's kinda like one cuz  
it's a cart on a track. It  
takes you around the exhibit.

T-that's so cool...

mothgoop asked:

Hi Bub! Sly has a sister who also really likes aliens and space stuff, kits around here somewhere, maybe you can talk to her about it?

HEY, ALLY, GET  
OVER HERE.

A cartoon illustration featuring four characters. On the left, a character with a tan face, large brown eyes, and a pink collar looks on. In the center, a character with brown hair and large blue eyes with green highlights smiles. To the right, a character with a light blue face and large white eyes with blue highlights looks surprised. On the far right, a character with a yellow face and large green eyes with pink highlights is partially visible. A yellow speech bubble with a black outline is positioned above the central character, containing the text: "You and this kid might get along, she's into space stuff." The background is a dark blue space with a red and orange horizon line and some small white stars.

You and this  
kid might get along,  
she's into space  
stuff.

Huh, that's weird. Those  
bowties you're wearing look  
like the one my boyfriend  
wears.

Oh, these things?  
We got them as Kissmas  
presents from our parents  
one year! They said they're  
good luck and will keep us  
safe! So we always wear  
them.

I mean, at least  
it's a fashionable  
good luck charm.

ladyinsertnamehere asked:

Sly, you wanna go on the ride?

I do! Excuse me, do you know how I could get to the Geopets exhibit from here?

You don't have to go far at all, just turn right and keep walking until you see the sign!

*THANK YOU  
SO MUCH!!!!*

Hey, does your like....

I came to the museum  
to see...

# geopets

Welcome to Geopias

Hey kid, can't  
ya read the sign?

You gotta be **THIS**  
tall to ride.

A cartoon character with a large, round, light blue face and a wide, open mouth showing a pink tongue. The character has large, white eyes with black outlines and a small, pink, oval-shaped nose. The character is wearing a blue shirt. The background is a dark green, textured surface. There are two speech bubbles: a large one at the top right and a smaller one at the bottom right. The character's expression is one of shock or surprise, with wide eyes and an open mouth.

W-what?! I flew out  
here with my family for  
my hatchday, this was like  
the main thing I wanted to  
see today!!!

Geopets is one of my  
biggest interests!

Listen kid, I don't

solarpawbs asked:

You have NO RIGHT calling  
me CRINGE, you HENTAI  
LOVING crypto FREAK.

Hey, at least my porn  
is of anthries. Do you really  
think you're any better?

I'm NOT a porn artist!  
Not all ferrys are like that!  
There are so many people in  
the community who just like  
expressing themselves through  
ferrie characters!

Some of us have trouble connecting with our actual bodies for whatever reason and it gives us comfort to have an idealized ferry form of ourselves.....

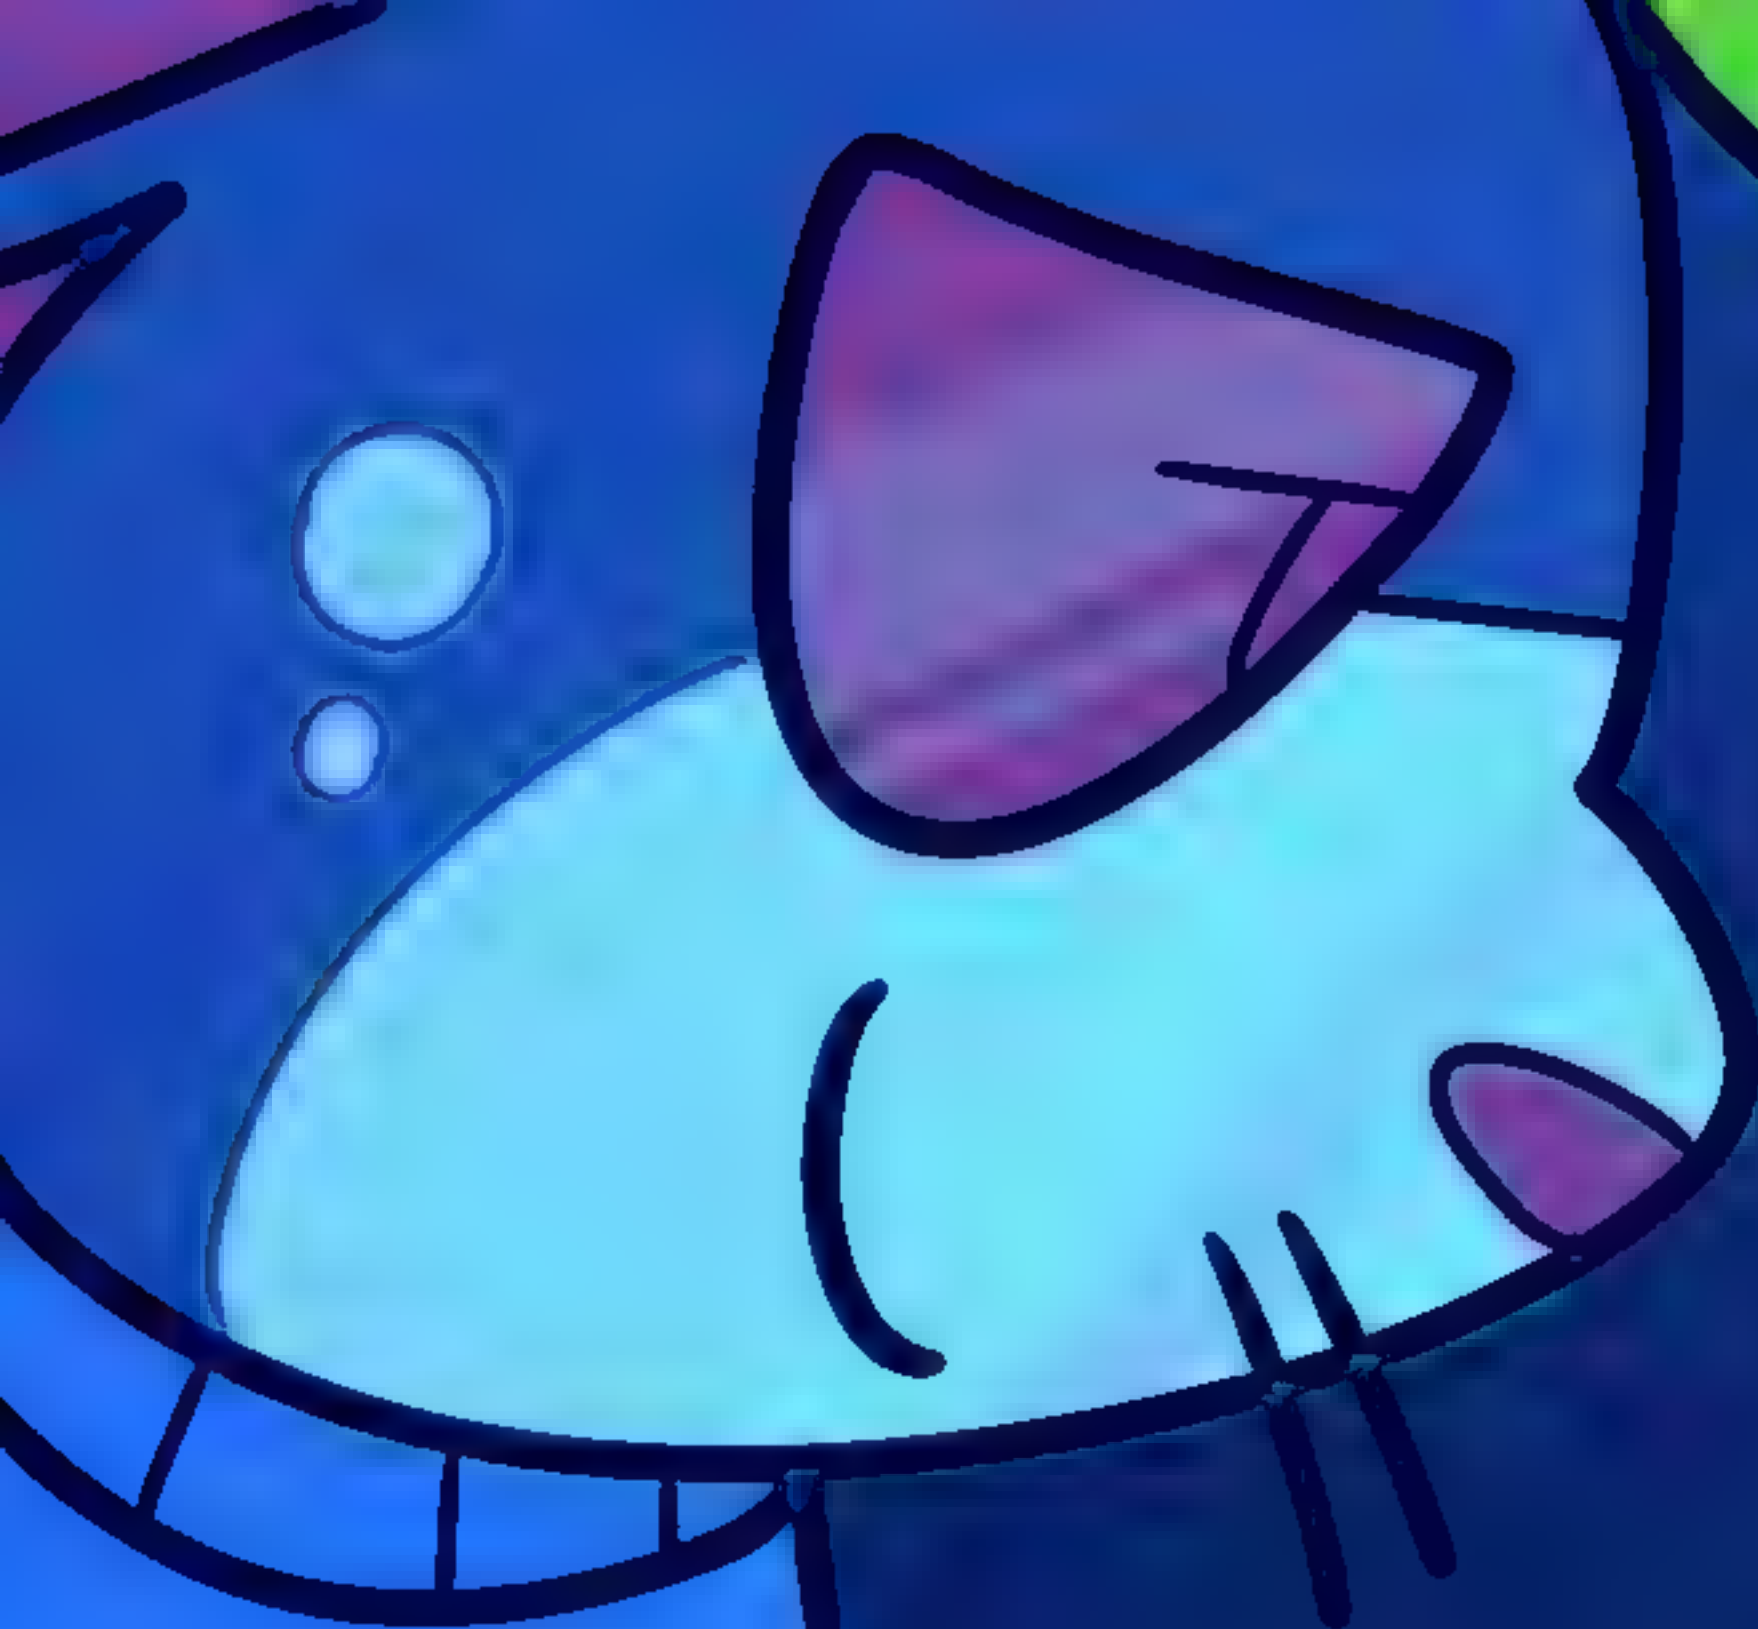

Some just do it for fun! To judge and assume things of an entire community based on the fact you think part of it is weird is unfair! I mean, you don't like people judging your interests, right? You don't want them to make generalized assumptions about you as a person, right?

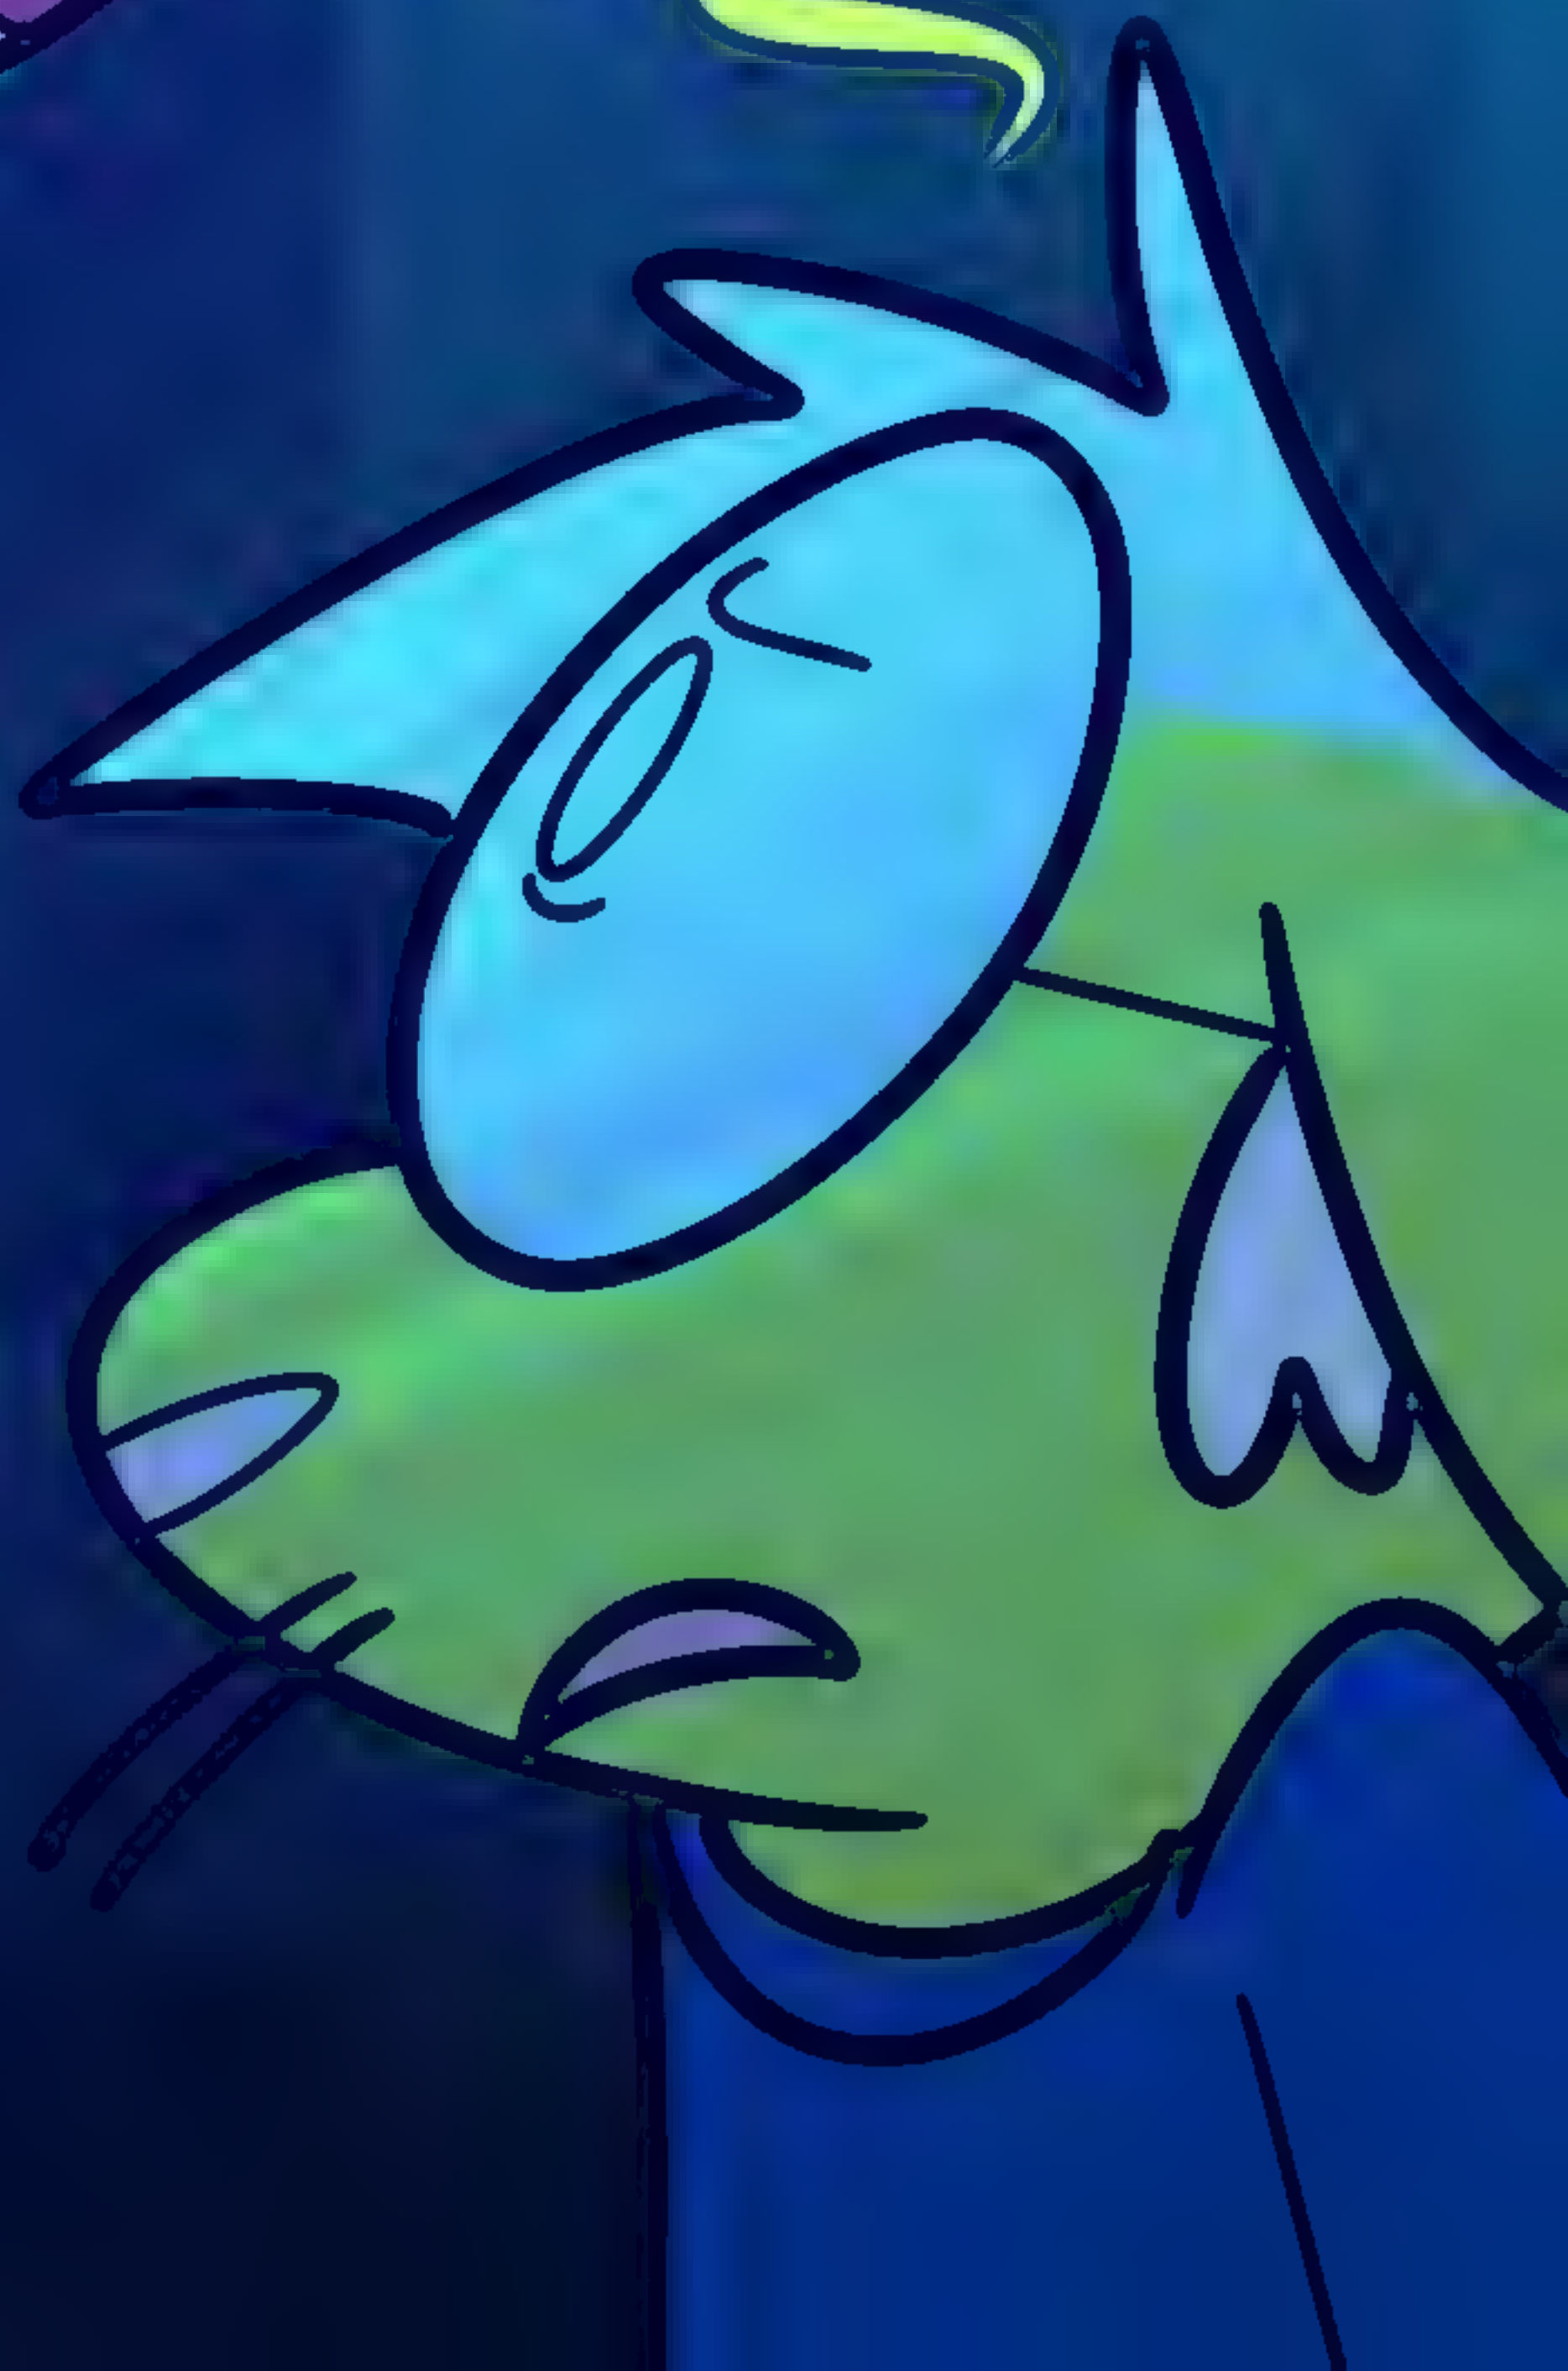

In my opinion, the only thing that could ever truly be "cringe" is making fun of people who are having fun. That's something to cringe about.

....w-what are  
you smiling at...?

autizta asked:

Wait actually what was LEVI doing by the door of the ferries exhibit

On the right, a blue cat with a red collar and large, wide-open eyes is shown in a state of distress, clutching its chest with its paws. A yellow speech bubble originates from the blue cat, containing a message of self-deprecation. The background is a solid dark blue.
